General Department.

To W. TAYLER, Esquire,
Post Master General, Calcutta.

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail.) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

	Berhampore,....	None.	None,	6,000	2,000 per month from July to September.

2.—Parties must tender for each division separately, and be prepared for the acceptance of their offer for one division, and its rejection in another. No general tender will be accepted, but the same party may tender for both descriptions of fuel, and for more than one Division, specifying separately the rate for each. The tenders must specify the rate per hundred bazar maunds of Coal or Wood.

3.—The Coal must be the best Raneegunge, or equal to the best Raneegunge in quality, and twelve maunds of the Coal tendered, must be sent to the Steam Foundry at Kidderpore for trial, which, with the exception of two maunds, will be lost to those whose tenders are not accepted, two maunds will be returned if sent for within one week of notice being given of the result of the tenders of the Coal sent by the party or parties whose tender is accepted, two maunds will be retained as a muster of the quality contracted for.

4.—The Wood must be dry, and recently felled, of the heaviest and best quality procurable, either of the trunks of trees or large branches of not less than 20 inches girth. It must be free from bark and cut into lengths not exceeding 3 feet and split into pieces, the girth of which shall not exceed 13 to 15 inches; and both coal and wood must be protected from the rain and the coal from the sun also. The Contractor must undertake to deliver the Fuel on board the Steamers by weight, and at the rate of one hundred maunds per hour under a penalty of two Goldmohurs for every hour of the Boat's detention on this occasion beyond the time necessary to take in a certain quantity at the above rate.

5.—The Contractor will be required under penalty to maintain constantly in store fuel for three months estimated consumption. The Government will not be pledged however, to take monthly or yearly the entire estimated quantity, as circumstances may occur to prevent the full quantity being required, such as the withdrawal of Boats from the line. On the other hand, it may happen, that from an increase in the number of Boats, or of voyages, or from other causes, the quantity now estimated may be insufficient; and the Contractor will be required to undertake that in such cases he will on three months' notice being given, meet a demand to any extent not exceeding twenty-five per cent. on the present estimate, and on the same terms of contract.

6.—The Clause requiring that fuel for three months shall always be maintained in store, will not be in force during the last three months of the term of the contract, but at the expiration of the contract, Government will take over or transfer to new Contractors such quantity or quantities of fuel as may remain in the Depots to the extent of two months' supply at the contract price.

7.—Should the Contractor fail to provide coal equal to the muster, or wood not of the best quality, such failure shall be considered a breach of Contract, and in such case it shall be lawful for Government through their Officers or other persons to provide good and approved fuel at the expense of the Contractor.

8.—Government will advance to the Contractor, under approved security, one half of the estimated outlay for fuel for one year, and will further on the production of receipts from Commanders of the

Steamers for fuel delivered on board their respective vessels by the Contractor pay one quarter of the contract price of the fuel so delivered, and at the end of the year or as soon after as it may be practicable, balance the account and make a further advance to meet the expence of the second year upon an equitable adjustment, that is, that if on account of the first year advance has been made on a larger quantity of fuel than shall on winding up the year's account appear to have been supplied the excess, shall be considered as part of the advance on account of the second year, when if any balance be due to Government from the Contractor on account of Monies paid to him, the same shall be deducted from the sum that may be due to the Contractor on one-fourth the value of fuel supplied by him or be otherwise recoverable as a debt.

9.—Wood will not be received on Board the Government Steamers instead of Coal, but if the Contractor for that article fail in the supply, he shall be open to a prosecution by Government for breach of Contract, or if under any circumstances, Government shall permit the use of wood instead of coal, the Contractor for coal shall be debited with the contract price of five maunds of wood for every maund of coal he may fail to supply. Should the Contractor for wood fail in his supply, and the Government Boat be obliged to consume coal instead, the Contractor shall for every maund of wood not supplied, pay to Government eight annas per maund, and it shall be lawful for Government to deduct the amount of such forfeiture or fine f om any balance of any unadjusted account remaining in their hands, or otherwise to sue for it on the Contract.

10.—The Party whose Tender is accepted, will be required to enter into the usual Penalty bond for the due fulfilment of his engagement.

By order of the Superintendent of Marine.

NOTIFICATION.

Fort William, the 6th March, 1848.

OPIUM.—Notice is hereby given, that on Wednesday, the 22d March, 1848, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by Public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the provision of 1846-47, subject to the following Conditions, viz.—

Produce of Behar Agency, ...	Chests	1,830
Ditto of Benares ditto,.....	„	780
Total Chests,...		2,610

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may, at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday,) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Friday, the 24th March, 1848; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expenses whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 24th March, 1848, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts, or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 24th March, 1848, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Thursday the 6th of April, 1848, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale, on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot,

after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William, in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1846-47, the same precautions having been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake.

An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weigh or quality of the Opium advertized for sale, tha may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity abovementioned, the following quantities, more or less, of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:—

And it is hereby enacted, that in the Territories subject to the Presidency of Bengal, it shall be lawful for the Zillah and City Magistrates and Joint Magistrates to take Mochulkas or Penal Recognizances in the form annexed to this Act, as well from British subjects as from other persons in all cases wherein it may appear just and necessary to require the same for the maintenance of the peace in their respective jurisdictions although the party to be bound in such recognizances may not have been convicted of any specific offence, provided that the amount of the recognizance in all such cases shall be proportionate to the condition in life of the said party and to the circumstances of the case.

III. And it is hereby enacted, that in cases of an aggravated nature wherein it may appear necessary to require security for keeping the peace in addition to the recognizance of the party, it shall be lawful for such Magistrates to direct the same and to fix a reasonable amount for the security bond to be executed in the form annexed to this Act by the surety or sureties.

IV. And it is hereby enacted, that whenever it shall appear to the Magistrate that the period for which the party should be bound to keep the peace with or without additional security, need not exceed one year, it shall be lawful for him, without reference to superior authority, to give directions accordingly, and in default of such recognizance or additional security, to commit the party to prison in the Civil Jail until he shall do what has been required of him.

V. And it is hereby enacted, that whenever it shall appear to the Magistrate that the period for which the party should be bound to keep the peace with or without additional security ought to exceed the period of one year, the Magistrate shall record his opinion to that effect with an order specifying the amount of recognizance and security as well as the number of sureties which should in his judgment be required, and the period for which the recognizance and security should be required, which however shall in no case exceed three years. If the party shall not furnish the recognizance and security so required, the proceedings shall be laid before the Sessions Judge, who, after examining them and calling for any further information which he may think necessary, shall pass orders on the case confirming, modifying or annulling the orders of the Magistrate, and if the orders so passed by the Sessions Judge confirm to any extent the requisition for recognizance or securities the Sessions Judge shall direct the Magistrate to commit the party to prison in the Civil Jail until he shall do what has been required of him.

VI. Provided always and it is hereby enacted, that no party shall be kept in prison under the foregoing provisions of this Act for a longer period than that for which the recognizance and securities have been required from him.

VIII. And it is hereby enacted, that whenever it may be proved before the Magistrate that any such recognizance has been forfeited, he shall proceed to enforce the penalty of such recognizance in the mode prescribed for the satisfaction of decrees of the Civil Court.

IX. And it is hereby enacted, that whenever it may be proved before the Magistrate that any such recognizance has been forfeited if a security bond shall have been taken and the Magistrate shall think that proceedings should be had upon such bond, he shall give notice to the surety or sureties to pay the penalty, or to shew cause why it should not be paid, and if no sufficient cause shall be shewn, the Magistrate shall proceed to recover the penalty from such surety or sureties by the attachment and sale of any of his or their property in the mode prescribed for the attachment and sale of property in satisfaction of decrees of the Civil Court, and if the penalty be not paid and cannot be recovered by such attachment and sale, such

surety or sureties shall be liable to confinement by order of the Magistrate in the Civil Jail of the station during a period not exceeding six months.

X. And it is hereby enacted, that all sentences and orders passed under this Act shall be appealable subject to the general provisions which regulate appeals.

M., for the purpose of electing eight stipendiary Normal Students. Those elected will be expected to be familiar with the ordinary Junior Scholarship course of the Government Colleges: they will receive a monthly stipend of Rupees 12, and will be expected to provide themselves with all necessary books: They must further enter into an agreement to serve under Government in the Educational Department for three years subsequent to their departure from the Normal School, in whatever station they may be appointed to within the Bengal Presidency.

Candidates must be between the ages of 16 and 24, having no physical defect disqualifying them from fulfilling the active duties of their profession.

EDUCATION NOTICE.—The next meeting of the Committee appointed for the examination of candidates for promotion and employment in the Education Department, will be held in the Hindu College, on Saturday, the 1st of April 1848, at 10 A. M.

Detailed particulars of the nature and extent of the examination, the number of vacancies in the department, &c. &c., will be afforded by the Secretary to the Council of Education to all candidates on *personal* application.

(By Order,)
FRED. J. MOUAT, M. D.,
Secy. Council of Education.

March 13, 1848.

NOTIFICATION.—An Examination will be held early in April 1848, in the College of Fort William, for the purpose of filling up existing vacancies in the Military Class of the Medical College—all candidates will be expected to possess a knowledge of the Hindustani Language, adequate to enable them to read and write it in the Persian or Devanagri characters.

2d. All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant certificates of qualification to any candidates, under the age of fifteen and above that of twenty years, and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense, and inconvenience have already been experienced by lads from distant stations being furnished with certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this, that the above measure has been adopted.

3d. Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper descriptive roll may be prepared for transmission to the Examiners of the College of Fort William.

4th. The preference in selection, attainments being equal, will be given to those who have already been attached to, or served in civil or regimental hospitals.

5th. No candidate will be allowed to present himself for examination who cannot produce a written testimonial of his conduct and character, or afford satisfactory evidence as to who and what he may be. A few individuals of decidedly bad character have, upon recent occasions, managed to obtain admittance, it is supposed by producing false papers; the strictest care and scrutiny will therefore be exercised in examining the credentials of all future candidates.

6th. All pupils must, as a condition of their appointment, reside within the College premises at all times, and *never* be absent from morning and evening muster without special leave.

7th. All students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

8th. No candidate will be admitted to the School, who is physically unfit for the duties of a Soldier.

OPIUM.—Notice is hereby given, that on Wednesday, the 22d March, 1848, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by Public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the provision of 1846-47, subject to the following Conditions, viz.—

Produce of Behar Agency, ...	Chests	1,830
Ditto of Benares ditto,.....	„	780
Total Chests,...		2,610

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may, at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday,) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Friday, the 24th March, 1848; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expenses whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 24th March, 1848, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts, or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 24th March, 1848, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Thursday the 6th of April, 1848, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale, on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot,

after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William, in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1846-47, the same precautions having been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake.

An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weigh or quality of the Opium advertized for sale, tha may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity abovementioned, the following quantities, more or less, of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:—

No. 966 *of* 1847.

General Department.

To W. TAYLER, Esquire,
Post Master General, Calcutta.

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

7th.—No Tender of Money, Sub-Treasurer's Receipts, or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 24th March, 1848, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Thursday the 6th of April, 1848, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale, on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the

Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William, in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

H. M. Elliot, *Secy. to the Govt. of India.*

W. Ridsdale, Bengal Military Orphan Press.

Bishop's College and its Missions.

Sir,

With the sanction of the Right Reverend our Diocesan, and under the instructions of the Calcutta Diocesan Committee for the Society for the Propagation of the Gospel in Foreign Parts, communicated to me at a Meeting held in the Palace, Chowringhee, on the 6th instant, I beg leave to lay before you a brief Statement of that Society's claims, operations, and needs, in this Diocese, with the Committee's request, that you will kindly exert yourself to make the same known, with a view to obtaining the pecuniary aid which is required, and encourage the formation of Local Associations in furtherance of its designs and for the permanent improvement of its resources.

The *General* claims of the Society are—

First (and also *last*). That its end and aim is the Glory of God in the extension of the knowledge of His Salvation.

Secondly. That it is the most ancient Society of our Church for directly Missionary purposes, having been Incorporated by Royal Charter A.D. 1701.

Thirdly. That it has been the constant rule and endeavour of this Society to hold fast the fellowship and doctrine of the Apostles by conducting its operations in direct connexion with the whole body of Bishops of our Church.

The *Special* claims of the Society on *this Diocese* rest upon its operations within it, which may briefly be enumerated as follows:—

I. The establishment of the Missionary Institution known as Bishop's College, which it founded and built at the instance of the first Bishop of the Diocese, (and has hitherto maintained without special aid from the Diocese) for the Education of Missionaries, Catechists, and Schoolmasters.

That not only the Diocese of Calcutta, but the Dioceses of Madras and Ceylon also are indebted to this Institution, under God, for Catechists, Missionaries, and in some cases Chaplains, will be seen from the list of its passed Students appended to this Appeal.

At the present time there are 23 Students resident within the College; of whom 17, intending to devote themselves to the Ministry of the Gospel, are maintained at the Society's sole cost.

II. In connexion with Bishop's College are maintained the—

Missions of 1. Tallygunge.
2. Howrah.
3. Barripûr.
4. Mogra Hât.
5. Tamlook.
6. Cawnpore.
7. Saugor (to the Gonds of Central India).
8. The Rev. K. M. Banerjea's Schools in Calcutta.
9. The Calcutta Hindustâni Mission.

For detailed accounts of the present condition of all which, the Diocesan Committee begs to refer you to its last published Report, of which a copy is sent herewith.

In these Missions the Parent Society maintains, at the present date, *twelve Missionaries* and *five Catechists*, besides numerous Natives (Christians) engaged as *Schoolmasters* and *Readers*.

In the three first-named Missions, *Christian Orphan Schools* are maintained on the several Mission Premises, and at Cawnpore the Asylum for Native Female Orphans, has, from the first, been the nucleus of the Mission.

With a view to the Worship of Almighty God, in decency and order, and to the promoting thereby among the Converts a reverence for His Holy Name and Law, and all therewith connected, the Society has, within the last few years, built three substantial and commodious Churches, situate severally at Barripûr, Jhanjera, and Mogra Hât.

III. The Parent Society having recently parted with the last of its funded capital (not held in trust for special objects) is now dependent, in faith on God's providence, solely on the annual subscriptions which it may realize.

This exhaustion of the Society's Capital has been hastened by its liberal contributions to the Colonial Bishoprics recently formed.

Neither should the Society's service to this Diocese in founding and endowing a Canonry in the Cathedral Church of Calcutta, to be held by a Native Clergyman, be passed over in silence.

IV. One immediate result of this exhaustion of the Parent Society's funded property is a call on the Calcutta Diocesan Committee to provide, exclusively from its own resources within the Diocese, for all expenses of its *new* undertakings which may prove to be in excess of the salaries and house-rent of the Missionaries and Catechists. And the necessity is urged of a speedy extension of the same principle to the *old established* Missions in the vicinity of Calcutta.

V. A careful investigation into the Diocesan Committee's expenditure, in all its branches, has led to the conclusion, that no larger a sum than two thousand pounds sterling per annum is required to meet *the whole incidental* expenses of all the Missions of the Propagation Society, within this Diocese, *as they now exist.*

A sum, so disproportionate to the means of the Christian Public of British India, that the attempt to raise it seems hardly a call upon the Faith of those who are concerned to raise it—provided only they can make the matter generally known. And for doing this, your aid is solicited.

But, disproportionate as it is to the means available to the Christian Public in India for the cause which the Committee would beg you to plead, it seems to shrink into absolutely nothing, when set in contrast with even the souls already under instruction in the Missions. And what then shall be said when it is considered, that, until these be attended to, we are not at liberty (even if we had the power) to extend the Society's operations further among the *unbelievers?*

Even though the sum sought for were *many times two thousand* pounds, the question would at once arise, (whether we look to the numbers whom God has given into our hands to convert; or to the numbers whom He has vouchsafed already to convert by our Ministry,)—

"What are these among so many?"

I remain, Sir,

Your most obedient Servant,

A. W. STREET,

"*Letter from the Governor General, dated 22d June*, 1847.

Submitting a Memorandum, dated 16th June, 1847, containing an exposition of His Lordship's views with respect to the classes entitled to Medals when those distinctions are granted to the Troops engaged in Military operations."

"Para. 7. We approve of the specification by the Governor General of the following Classes as entitled to receive Medals, viz.

European and Native Officers of all ranks.
Quarter Masters.
Pay Masters.
Surgeons and Assistant Surgeons.
Subordinate Medical Servants, including Hospital Apprentices, Native Doctors and Sub-Assistant Surgeons.
Veterinary Surgeons.
Riding Masters.
Conductors and Sub-Conductors.
Non-Commissioned Officers.
Drummers and Rank and File.
Gun Lascars
Ordnance Drivers, confining the number to those actually required to be up with the Guns at all times in Action, certified by the Officer Commanding the Battery.

"8. We also approve of the suggestions with respect to other classes, as contained in the following paragraphs of the Governor General's Minute of the 16th June, 1847.

"Whenever any one of these men, Bheesties, "Ammunition Camel Drivers, Artillery or Staff "Syces, or Dooly Bearers, is wounded in any "Action for which a Medal is granted to the "Army, and shall produce proof from competent "authority that he was maimed in the perfor- "mance of his duty, such individual shall have "the Medal, the Batta, and the same rewards as "are given to Gun Lascars when wounded. If "the wound is equal to the loss of a limb, the "same rewards and the same pension as a Gun "Lascar; or if killed in Action, his heirs shall be "entitled to a similar Pension as the Gun Lascar."

"Claims for Regimental Tent and Store Las- "cars will be equally entitled to consideration, if "it can be shewn that they were maimed or hurt "in the legitimate exercise of their duties, such "as in Forts, Batteries and Entrenchments, and "if in the course of a Campaign, any man of the "preceding classes can prove, certified by his "Commanding Officer, that he conducted himself "with distinguished merit and gallantry, although "not wounded in Action, the case may be brought "before the Government by the Military Autho- "rities, and if the Government should approve of "an investigation, a Committee may be convened, "and the claim be reported upon in the same "manner as is now the rule for the *Order of* "*Military Merit.*"

"9. This decision, as regards Batta, will apply to the claims of Camp Followers, brought to our notice, in the Governor General's Letter, of 21st January last, including the Sirdar and Classies of Magazines attached to the Loodianah Magazine, who, during the late Campaign acted as Artillery Men, and were told off to the different Guns in that Fort. These Men became for that time entitled to the privileges of "Fighting Men."

"10. The several decisions on applications from Officers and Detachments to receive Medals for the Battles on the Sutlej, and in Scinde as described in the Governor General's Minute of the 16th June 1847, appear to have been founded on a correct principle, and have our approval."

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

No. 966 *of* 1847.

General Department.

To W. TAYLER, Esquire,
Post Master General, Calcutta.

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

Post Master General.

WITH reference to the Notification issued by this Office, under date the 17th April last, further notice is hereby given for general information, that under the instructions of Government, every Newspaper, Price Current, or Commercial List, which may be posted for conveyance by the Peninsular and Oriental Company's Contract Steamers, from any one Indian Port to another, shall henceforth be charged with British Packet Postage, at the rate of Nine Pie, or Three Pice, (Three Quarters of an Anna,) instead of Eight Pie, as formerly fixed.

EDUCATION NOTICE.—In consequence of Saturday, the 1st April, being a Hindu Holiday, "Baronee," the examination of candidates for promotion and employment in the Education Department, has been postponed to Monday, the 3d of April 1848.

Council of Education, March 25, 1848.

NOTIFICATION.—An Examination will be held early in April 1848, in the College of Fort William, for the purpose of filling up existing vacancies in the Military Class of the Medical College—all candidates will be expected to possess a knowledge of the Hindustani Language, adequate to enable them to read and write it in the Persian or Devanagri characters.

2d. All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant certificates of qualification to any candidates, under the age of fifteen and above that of twenty years, and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense, and inconvenience have already been experienced by lads from distant stations being furnished with certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this, that the above measure has been adopted.

3d. Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper descriptive roll may be prepared for transmission to the Examiners of the College of Fort William.

4th. The preference in selection, attainments being equal, will be given to those who have already been attached to, or served in civil or regimental hospitals.

5th. No candidate will be allowed to present himself for examination who cannot produce a written testimonial of his conduct and character, or afford satisfactory evidence as to who and what he may be. A few individuals of decidedly bad character have, upon recent occasions, managed to obtain admittance, it is supposed by producing false papers; the strictest care and scrutiny will therefore be exercised in examining the credentials of all future candidates.

6th. All pupils must, as a condition of their appointment, reside within the College premises at all times, and *never* be absent from morning and evening muster without special leave.

7th. All students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

8th. No candidate will be admitted to the School, who is physically unfit for the duties of a Soldier.

W. TAYLER,
Post Master General.

Fort William, Genl. Post Office,
The 24th July, 1847.

No. 966 of 1847.

General Department.

To W. TAYLER, Esquire,
Post Master General, Calcutta.

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

Post Master General.

To W. TAYLER, Esquire,
Post Master General, Calcutta.

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

NOTICE.—The following Notice of the Post Master General of London, received through the Post Master General of Bombay, is published for general information.

W. TAYLER, *Post Master Genl.*

Calcutta, Genl. Post Office, the 23d July, 1847.

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

N. B. One tola and a quarter is nearly equivalent to half an ounce avoirdupoise.

Fort William, Foreign Department, the 31st March, 1848.

NOTIFICATION.—The Right Honorable the Governor General in Council is pleased to direct the publication of the following Circular Letter issued by Lieutenant Colonel J. Sutherland, Governor General's Agent for the States of Rajpootana, to the Political Agents and Superintendents subordinate to him, in order that British Subjects may be informed of the channels through which they should seek redress for any robbery or loss of property sustained by them in any of the States of Rajpootana.

"Circular."

No. 198 of 1848.

From Lieutenant Colonel J. SUTHERLAND,
Agent Governor General for the States of Rajpootana,

To the Political Agents and Superintendents in Rajpootana.

Dated Camp Beekanere, 22d February, 1848.

SIR,—You are aware that besides the Punchayet at Ajmere entitled "The International Court of Vukeels of Rajpootana," similar Punchayets have been formed at each of the Political Agencies composed of the Vukeels of States nearest the residence of the Political Agents, for in a Country of 1,00,000 square miles, it was very soon discovered that Ajmere was far too remote from some of the States to enable plaintiffs to resort, and bring their witnesses to that place, for justice in international Criminal cases. The places at which Courts have now been established are Neemuch, Jyepoor, Jodhpoor, Kotah and Mullanee, and their Courts are composed of the Political Agent and the Vukeels of the four or five surrounding States, this brings the administration of international justice within the reach of the subjects of all the States in Rajpootana.

2. In organizing the system, I found that some of the neighbouring States showed a reluctance to send their Vukeels to our Agent at the Capital of another State, especially in the case of Jodhpoor, where the Punchayet is composed of the Political Agent at that Court, and the Vukeels of Jodhpoor, Beekanere, Jesulmere, and Sirdhee. This reluctance has however been overcome by the assurance that the Court of Vukeels is not altogether stationary at Jodhpoor, but that it will, with the Political Agent, move to the Capitals of the other States, or wherever its presence may be required for the administration of international justice.

3. One of the good effects of this system of Punchayet has been, to enable me to decline to attend to the complaints of the subjects of any one State against those of another State, and to refer complainants to the Vukeel of their own State, through whom only I now receive such representations. The Vukeels, however, generally when the complaint is well founded, carry the aggrieved party at once to the Punchayet, or refer him through letter to that Tribunal, which has had the good effect of showing all classes, that they must look to the Officers of their own Government for obtaining justice or redress of international, as of national grievances. In the same manner, and for the same reason, I decline to listen to the complaints of British subjects, unless they bring or obtain a letter from the Officer of our Government, within whose jurisdiction they live; foreigners, who have no one to espouse their cause, come of course directly to me.

4. Translations of this letter in Hindee and Persian are enclosed for the information of States within your Circle of Superintendence, and copies of the translations shall be sent to the Vukeel of each of the eight States in direct communication with this Agency.

I have, &c.,

NOTIFICATION.—An Examination will be held early in April 1848, in the College of Fort William, for the purpose of filling up existing vacancies in the Military Class of the Medical College—all candidates will be expected to possess a knowledge of the Hindustani Language, adequate to enable them to read and write it in the Persian or Devanagri characters.

2d. All Interpreters of Regiments and Battalions will be requested through the Military Department, not to grant certificates of qualification to any candidates, under the age of fifteen and above that of twenty years, and likewise to reject all who may not pass the prescribed ordeal with a sufficient degree of fluency and facility. Much disappointment, expense, and inconvenience have already been experienced by lads from distant stations being furnished with certificates, who were found on examination quite unqualified for admission, and it is with a view to prevent the recurrence of this, that the above measure has been adopted.

3d. Candidates for admission will be required to present themselves before the Secretary to the Medical College, at least three days prior to the day of examination, in order that a proper descriptive roll may be prepared for transmission to the Examiners of the College of Fort William.

4th. The preference in selection, attainments being equal, will be given to those who have already been attached to, or served in civil or regimental hospitals.

5th. No candidate will be allowed to present himself for examination who cannot produce a written testimonial of his conduct and character, or afford satisfactory evidence as to who and what he may be. A few individuals of decidedly bad character have, upon recent occasions, managed to obtain admittance, it is supposed by producing false papers; the strictest care and scrutiny will therefore be exercised in examining the credentials of all future candidates.

6th. All pupils must, as a condition of their appointment, reside within the College premises at all times, and *never* be absent from morning and evening muster without special leave.

7th. All students in the Military Class are amenable to the Articles of War, and regularly enlisted as Soldiers.

8th. No candidate will be admitted to the School, who is physically unfit for the duties of a Soldier.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

W. Tayler,

Post Master General.

Fort William, Genl. Post Office, The 24th July, 1847.

No. 966 *of* 1847.

General Department.

To W. Tayler, Esquire,

Post Master General, Calcutta.

Sir,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express." and to keep within the *limited weight of two tolas*; and that, meanwhile, until the system becomes ge-

nerally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

NOTICE.—The following Notice of the Post Master General of London, received through the Post Master General of Bombay, is published for general information.

W. TAYLER, *Post Master Genl.*

Calcutta, Genl. Post Office,
the 23d July, 1847.

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other New-papers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

N. B. One tola and a quarter is nearly equivalent to half an ounce avoirdupoise.

W. TAYLER,
Post Master General.

Fort William, Genl. Post Office,
The 24th July, 1847.

No. 966 *of* 1847.

General Department.

To W. TAYLER, Esquire,
Post Master General, Calcutta.

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight,* because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit,* and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

NOTICE.—The following Notice of the Post Master General of London, received through the Post Master General of Bombay, is published for general information.

W. TAYLER, *Post Master Genl.*

Calcutta, Genl. Post Office,
the 23d July, 1847.

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to

this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

N. B. One tola and a quarter is nearly equivalent to half an ounce avoirdupoise.

No. 966 *of* 1847.

General Department.

To W. TAYLER, Esquire,
Post Master General, Calcutta.

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas*; and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

Produce of Behar Agency, ...	Chests	1,830
Ditto of Benares ditto,.....	„	780
Total Chests,...		2,610

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may, at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday,) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 19th April, 1848; or on the other hand, failing such redemption by the time aforesaid, then the lot or

lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expenses whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 19th April, 1848, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts, or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 19th April, 1848, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 2d of May, 1848, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale, on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William, in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake.

An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertized for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board

entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity abovementioned, the following quantities, more or less, of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:—

The following Act passed by the Governor General of India in Council on the 25th of March 1848, is hereby promulgated for general information.

ACT No. IX. OF 1848.

An Act to repeal Acts No. XII. of 1839 *and No. XII. of* 1840, *and to raise funds for Police and Municipal purposes throughout the Settlement of Prince of Wales' Island, Singapore and Malacca, and the dependencies and places subordinate or annexed thereto, by levying an Assessment upon the rents, produce and income derived from Buildings and Lands within the said Settlement, and by taxing Carriages, Waggons, Carts, Horses, and Mules kept or used within the same.*

I. It is hereby enacted, that from and after the First day of January 1849, Act No. XII. of 1839 and Act No. XII. of 1840, are repealed.

II. And it is hereby enacted, that from the said First day of January 1849 an Assessment at a rate not exceeding ten per cent., to be fixed from time to time, as he shall think fit, by the Chief Civil Authority within the incorporated Settlement of Prince of Wales' Island, Singapore and Malacca, shall be levied every half-year in advance on the actual or estimated rents of all Houses, Shops and other Buildings situated within the said Settlement and the dependencies and places now or hereafter to be subordinate or annexed thereto, to be paid by the Tenant or Tenants, or Occupier or Occupiers of such Houses, Shops and other Buildings at the time of such Assessment Provided always, that the several Houses or Buildings specified in Schedule A hereunto annexed, shall be exempted from Assessment under this Act.

III. And it is hereby enacted, that from and after the day aforesaid an Assessment at a rate not exceeding five per cent., to be fixed from time to time as he shall see fit by the said Chief Civil Authority, shall be levied half-yearly or annually upon the actual rent or upon the value of the net produce derived from all lands situated in the said Settlement, dependencies and places held, possessed, or used for purposes of agriculture or cultivation of any description whatsoever. Provided always, that no Assessment shall be charged on any rent paid as quit rent to the East India Company for lands held under leases or other titles from the said Company, and that the produce of lands of less extent than three (3) acres used for the cultivation of Paddy, Siri, or Vegetables, and lands of which the annual net produce shall be less than Ten Spanish Dollars, if it shall be the sole assessable property of any one or more persons, shall be exempted from the payment of any Assessment under this Act.

IV. And it is hereby enacted, that in order to ascertain the value of the net produce of any such lands for any one year or half-year for the purpose of levying such Assessment the amount of outlay actually paid and expended during that particular period in and upon the lands yielding such produce and in the manufacture of any such produce (not including either the purchase money of such lands, or the original outlay thereon, or the cost or purchase money of any articles of Machinery used or employed, or of any Buildings erected thereon) shall be deducted from the estimated value, at the then local current rate, of the gross quantity or amount of produce whether manufactured or otherwise derived from such lands, and that upon the overplus or net balance value so ascertained the said Assessment shall be levied and paid.

V. And it is hereby enacted, that in order to facilitate the collecting of Assessment on lands in manner specified in Section IV. of this Act, it shall and may be lawful for the Collector or other Officer appointed in manner hereinafter mentioned to collect the same at each of the said Stations of Prince of Wales' Island, Singapore and Malacca, and the dependencies and places aforesaid to require the Owner, Occupier, Agent, Superintendent or other person in charge of any such lands to furnish him either annually or half yearly in writing under his or their hand or hands, with a true and detailed statement of the gross and actual quantity and amount of produce of what nature and kindsoever yielded by the said land or manufactured therefrom during either of the said periods, and likewise a true and detailed statement of the amount of actual outlay paid and expended in the cultivation of the said land and in the preparation or manufacture of the produce thereof during the like periods, which said statements shall be verified by oath or affirmation to be made by such person or

And any person or persons who shall refuse to make such oath or affirmation, or who shall refuse to furnish such statement, shall on conviction thereof before the Court of Quarter Session at such Station, be liable to pay a fine not exceeding Two Hundred Spanish Dollars, and in default of payment thereof to be imprisoned for a term not exceeding two months.

VI. And it is hereby enacted, that in any case where payment shall not be duly made of any Assessment charged and demanded under authority of this Act, the Collector or other Officer appointed to collect the same shall certify in writing such non-payment to any Justice of the Peace who, if he shall be satisfied that due diligence has been used to obtain payment, and that the same has been improperly withheld, shall issue his Warrant for levying the amount of such Assessment by seizure and sale of any Goods and Chattels and growing Crops whatsoever and to whomsoever belonging in or upon the Houses, Shops or other Buildings, or in or upon the lands respectively charged, and the overplus, if any, after deducting the expences of such seizure and sale, shall be paid to the Owner or Owners of the Goods, Chattels, or growing Crops so seized and sold, or to the person or persons in whose possession the same may have been found.

IX. And it is hereby enacted, that it shall be competent for the Collector or other Officer appointed to collect the aforesaid Assessment and Taxes at the said Stations of Prince of Wales' Island, Singapore and Malacca, and the dependencies and places aforesaid, in lieu of proceeding against defaulters by Warrant of Distress as aforesaid, to sue in his name for the recovery of any arrears through any Court of Justice to which such defaulters shall or may be amenable.

XII. And it is hereby enacted, that the monies collected from the Assessment and Taxes leviable under this Act at the said several Stations of Prince of Wales' Island, Singapore and Malacca, and the dependencies and places aforesaid, shall be called the "Municipal Fund," and that the same or so much thereof as shall be required shall be applied in manner hereinafter mentioned, towards the payment and maintenance of an efficient Police and of an Establishment for the collection of the said Assessment and Taxes at each of the said Stations, dependencies and places; and also towards the efficient watching, repairing, renewing, cleansing, draining and keeping in repair the public Roads and Streets and all other public thoroughfares in Town and Country at each of the said Stations, dependencies and places; and also towards the repairing, renewing, building, rebuilding, cleansing and securely upholding all public Bridges, Jetties, Quays, Aqueducts, Canals, Sluices, Sewers and Sluicegates made for or in the occupation or use of the public at the said Stations, dependencies and places either made, commenced or hereafter to be made; and also towards the lighting of the said public Streets and Bridges, and to the effecting of other purposes necessary for the comfort and protection of the inhabitants of the said Settlement, dependencies and places. XIV. And it is hereby enacted, that the said Municipal Committee shall have power to make Rules and Regulations, subject to the approval of the said Chief Civil Authority, for more fully and effectually carrying out and performing the objects and purposes specified in Sections XII. and XIII. of this Act, and to alter or amend the same from time to time as may be necessary subject to the like approval.

AGRA, REVENUE DEPARTMENT,

The 31st March, 1848.

Resolution.—The following Rules are passed for giving effect to Act VII. 1845, regarding the Canal and Works for draining the Nujjufgurh Jheel.

I. Under the powers vested in the Lieutenant Governor of the North Western Provinces by Section I. Act VII of 1845, the provisions of the aforesaid Act are declared applicable to the Canal and Works for draining the Nujjufgurh Jheel near Delhi.

II. The Collector of Delhi as Superintendent, and Mr. E Battie as his Assistant, are appointed to exercise the powers for the levy of water-rent and enforcement of penalties under Section VIII. of the aforesaid Act.

III. The following rates are fixed for the supply of water from the Canal, or from any pools or reservoirs which may be rendered available for purposes of irrigation by the Canal or the Works connected therewith.

Description of Crops.	On land irrigated by natural drains.	On land irrigated artificially.	
	Per Acre.		
1. Fruit or Nursery Gardens, ...	4 0 0	3 0 0	per Annum.
2. Vegetable Gardens, Indigo, Sugar Cane, Singharas, Cultivated Grasses and Herbs,.....	1 0 0	0 12 0	per Annum or per Crop.
3. Rice, Cotton, Wheat, Barley, Oats. Indian Corn, Gram, Oil Seeds, Jowar, Cheenah and Pulses, ...	0 8 0	0 6 0	per Crop.

IV. Owing to the uncertain supply of water, a rateable deduction will be allowed, if the following number of waterings cannot be given.

First Class, ... 8 waterings per Annum.
Second ditto, ... 5 ditto ditto, or per Crop.
Third ditto, ... 3 ditto per Crop.

V. The jurisdiction of the Canal Officers in all cases provided for in the aforesaid Act shall extend to the distance of 10 feet from the outer base of all embankments of the Canal or of the Works connected therewith, and over all such embankments, and within such embankments over the space on which the water may be retained, or may be capable of being retained by such embankments, and also over every plantation and building or enclosure belonging to the Government and under the charge of the Canal Officers.

VI. Persons injuring the Canal Banks, or the Canal Property within the aforesaid limits, or wilfully driving their Cattle, so as to damage the banks or the property, or otherwise acting within the said limits as prohibited in Section 5 of the Act, shall be liable to the penalties prescribed in the Act.; but for Cattle accidentally straying the penalty shall not exceed, for

Every Elephant, ... 1 Rupee,
Every Camel, ... 4 Annas,
Every Buffalo or head of Cattle, Horse, Mule, Poney or Ass, ... 2 Annas,
For every Sheep or Goat, ... 1 Anna,

together with the expenses of feed and keep, and the cost of repair for damage done. Unclaimed Cattle will be sent to the established Canal Pounds to be disposed of by the Superintendent as usual, and the net proceeds of the sale will be credited to the Canal. Cattle or other animals going down to the stream, or crossing it at any other places than the established Ghats or Fords will be held to have been wilfully driven, or to have accidentally strayed, as the case may be.

2d. As the management of these works involves considerations, which can be appreciated only in the Revenue Department, and as the realization of the Land Revenue in the tract effected by the waters of the Jheel depends on the efficient maintenance of the works, and as their superintendence and management can be best provided for in the Revenue Department, it seems unnecessary to keep the works longer under the control of the Military Board The works will accordingly be considered from May 1st next as Civil works, and will be managed and charged for in the same manner as the works for irrigation in Rohilcund. The Superintendent General of Canals will however continue to exercise supervision and control over these works, and no charge on account of them shall be admitted without his countersignature. In the capacity of Superintendent General he will correspond direct with the Government. There will be no objection to Mr. Battie's corresponding direct with the Superintendent General on all points connected with the construction of the works, provided that it be with the Collector's sanction, and that the Collector be always kept cognizant of what passes. Applications for sanction to new works must be made through the Commissioner and Sudder Board of Revenue.

3. The Officiating Collector of Delhi will take the necessary steps for procuring the detailed Survey proposed in para. 28 of Major Cautley's Report, and will forward the Maps when completed to Major Cautley. The Lieutenant Governor will be prepared to take into consideration any plan which may be consequently proposed for the improvement of the works.

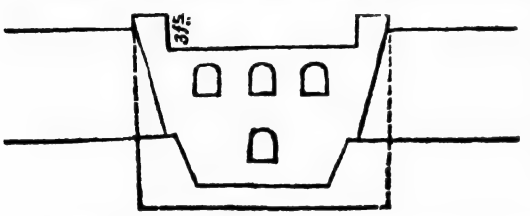
4 The Transfer of the Wuzeerabad Mills and of the Chowkeedar maintained upon it from the establishment of the Western Jumna to that of the Nujjufgurh Jheel Canal, is sanctioned.

5. With reference to the arrangement sanctioned on August 11th last, for the Regulation of the Badlie Dam, the Collector is authorized to entertain and charge to the works a Chowkeedar at 4 Rupees per mensem, who shall be stationed on the Dam, and whose duty it shall be to see to the enforcement of the stipulations which have been agreed upon regarding that work, and to give immediate notice to the Collector, if he finds those stipulations infringed.

6. For convenience of reference, these stipulations are enumerated below.

1st. That the three upper openings in the Masonry Dam be never closed, nor in the slightest degree wilfully obstructed.

2dly. That the earthen embankment connecting the Masonry Dam with the high land on each side be increased to 20 feet upper breadth and to a height of 3 feet above the top of the Masonry Dam, in order that the latter may serve as an Overfall Escape in extraordinary floods. The ends of these embankments where they abut on the Masonry may be protected by a small parapet as shewn above.



3dly. That this embankment be never wilfully cut through under any circumstances.

4thly. That the lowest sluice be either kept constantly open, or if closed that it be not opened without a week's previous notice to the Collector or to the Supervisor of the Jheel Works.

NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

W. TAYLER,

Post Master General.

The 24th July, 1847.

No. 966 *of* 1847.

General Department.

To W. TAYLER, Esquire,

Post Master General, Calcutta.

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas*; and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

OPIUM.—Notice is hereby given, that on Monday, the 17th April, 1848, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by Public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the provision of 1846-47, subject to the following Conditions, viz.—

Produce of Behar Agency, ...	Chests	1,830
Ditto of Benares ditto,.....		780
Total Chests,...		2,610

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may, at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday,) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 19th April, 1848; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expenses whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 19th April, 1848, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts, or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 19th April, 1848, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 2d of May, 1848, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be dis-

posed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale, on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William, in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake.

An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertized for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity abovementioned, the following quantities, more or less, of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:—

Provided always, that no Assessment shall be charged on any rent paid as quit rent to the East India Company for lands held under leases or other titles from the said Company, and that the produce of lands of less extent than three (3) acres used for the cultivation of Paddy, Siri, or Vegetables, and lands of which the annual net produce shall be less than Ten Spanish Dollars, if it shall be the sole assessable property of any one or more persons, shall be exempted from the payment of any Assessment under this Act.

IV. And it is hereby enacted, that in order to ascertain the value of the net produce of any such lands for any one year or half-year for the purpose of levying such Assessment the amount of outlay actually paid and expended during that particular period in and upon the lands yielding such produce and in the manufacture of any such produce (not including either the purchase money of such lands, or the original outlay thereon, or the cost or purchase money of any articles of Machinery used or employed, or of any Buildings erected thereon) shall be deducted from the estimated value, at the then local current rate, of the gross quantity or amount of produce whether manufactured or otherwise derived from such lands, and that upon the overplus or net balance value so ascertained the said Assessment shall be levied and paid.

V. And it is hereby enacted, that in order to facilitate the collecting of Assessment on lands in manner specified in Section IV. of this Act, it shall and may be lawful for the Collector or other Officer appointed in manner hereinafter mentioned to collect the same at each of the said Stations of Prince of Wales' Island, Singapore and Malacca, and the dependencies and places aforesaid to require the Owner, Occupier, Agent, Superintendent or other person in charge of any such lands to furnish him either annually or half yearly in writing under his or their hand or hands, with a true and detailed statement of the gross and actual quantity and amount of produce of what nature and kindsoever yielded by the said land or manufactured therefrom during either of the said periods, and likewise a true and detailed statement of the amount of actual outlay paid and expended in the cultivation of the said land and in the preparation or manufacture of the produce thereof during the like periods, which said statements shall be verified by oath or affirmation to be made by such person or

No. 966 *of* 1847.
General Department.

To W. TAYLER, Esquire,
Post Master General, Calcutta.

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and that, meanwhile, until the system becomes generally known, they, ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight,* because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas,* but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit,* and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 19th April, 1848; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expenses whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 19th April, 1848, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts, or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 19th April, 1848, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 2d of May, 1848, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale, on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately

to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William, in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake.

An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertized for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity abovementioned, the following quantities, more or less, of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:—

Fort William, Home Department, Legislative, the 25th March, 1848.

The following Act passed by the Governor General of India in Council on the 25th of March 1848, is hereby promulgated for general information.

ACT No. IX. OF 1848.

An Act to repeal Acts No. XII. of 1839 *and No. XII. of* 1840, *and to raise funds for Police and Municipal purposes throughout the Settlement of Prince of Wales' Island, Singapore and Malacca, and the dependencies and places subordinate or annexed thereto, by levying an Assessment upon the rents, produce and income derived from Buildings and Lands within the said Settlement, and by taxing Carriages, Waggons, Carts, Horses, and Mules kept or used within the same.*

I. It is hereby enacted, that from and after the First day of January 1849, Act No. XII. of 1839 and Act No. XII. of 1840, are repealed.

II. And it is hereby enacted, that from the said First day of January 1849 an Assessment at a rate not exceeding ten per cent., to be fixed from time to time, as he shall think fit, by the Chief Civil Authority within the incorporated Settlement of Prince of Wales' Island, Singapore and Malacca, shall be levied every half-year in advance on the actual or estimated rents of all Houses, Shops and other Buildings situated within the said Settlement and the dependencies and places now or hereafter to be subordinate or annexed thereto, to be paid by the Tenant or Tenants, or Occupier or Occupiers of such Houses, Shops and other Buildings at the time of such Assessment. Provided always, that the several Houses or Buildings specified in Schedule A hereunto annexed, shall be exempted from Assessment under this Act.

III. And it is hereby enacted, that from and after the day aforesaid an Assessment at a rate not exceeding five per cent., to be fixed from time to time as he shall see fit by the said Chief Civil Authority, shall be levied half-yearly or annually upon the actual rent or upon the value of the net produce derived from all lands situated in the said Settlement, dependencies and places held, possessed, or used for purposes of agriculture or cultivation of any description whatsoever. Provided always, that no Assessment shall be charged on any rent paid as quit rent to the East India Company for lands held under leases or other titles from the said Company, and that the produce of lands of less extent than three (3) acres used for the cultivation of Paddy, Siri, or Vegetables, and lands of which the annual net produce shall be less than Ten Spanish Dollars, if it shall be the sole assessable property of any one or more persons, shall be exempted from the payment of any Assessment under this Act.

IV. And it is hereby enacted, that in order to ascertain the value of the net produce of any such lands for any one year or half-year for the purpose of levying such Assessment the amount of outlay actually paid and expended during that particular period in and upon the lands yielding such produce and in the manufacture of any such produce (not including either the purchase money of such lands, or the original outlay thereon, or the cost or purchase money of any articles of Machinery used or employed, or of any Buildings erected thereon) shall be deducted from the estimated value, at the then local current rate, of the gross quantity or amount of produce whether manufactured or otherwise derived from such lands, and that upon the overplus or net balance value so ascertained the said Assessment shall be levied and paid.

V. And it is hereby enacted, that in order to facilitate the collecting of Assessment on lands in manner specified in Section IV. of this Act, it shall and may be lawful for the Collector or other Officer appointed in manner hereinafter mentioned to collect the same at each of the said Stations of Prince of Wales' Island, Singapore and Malacca, and the dependencies and places aforesaid to require the Owner, Occupier, Agent, Superintendent or other person in charge of any such lands to furnish him either annually or half yearly in writing under his or their hand or hands, with a true and detailed statement of the gross and actual quantity and amount of produce of what nature and kindsoever yielded by the said land or manufactured therefrom during either of the said periods, and likewise a true and detailed statement of the amount of actual outlay paid and expended in the cultivation of the said land and in the preparation or manufacture of the produce thereof during the like periods, which said statements shall be verified by oath or affirmation to be made by such person or

persons before one of Her Majesty's Justices of the Peace at such Station (who is hereby authorized and required to administer the same) if thereto required by the said Collector or other Officer as aforesaid. And any person or persons who shall refuse to make such oath or affirmation, or who shall refuse to furnish such statement, shall on conviction thereof before the Court of Quarter Session at such Station, be liable to pay a fine not exceeding Two Hundred Spanish Dollars, and in default of payment thereof to be imprisoned for a term not exceeding two months.

VI. And it is hereby enacted, that from and after the day aforesaid a Tax shall be levied half-yearly in advance on all Carriages, Waggons, Carts, Horses, Mules and Elephants in use or kept within the said Settlement, dependencies and places to be charged on the Owner or Owners, or where the Owner is absent or cannot be ascertained, on the person or persons in charge thereof, at the following rates, that is to say:

On every four or three wheeled Carriage, per annum, ...	10	Sp. Drs.
On every two wheeled Carriage, per annum, ...	8	Sp. Drs.
On every Waggon drawn by man or beast per annum, ...	8	„
On every Cart drawn by any description of Cattle, per annum, ...	6	„
On every Cart drawn by man, per annum, ...	4	„
On every Horse or Mule, per annum,	2	„
On every Elephant, per annum, ...	12	„

and that if the payment of any such Tax shall not be duly made it shall be lawful for any Justice of the Peace upon being satisfied that due diligence has been used to obtain payment, to issue his Warrant for levying the amount of such Tax by seizing and selling the Goods and Chattels of the person or persons so charged with the payment of such Tax and so making default. Provided always, that the several vehicles and animals, specified in Schedule B hereunto annexed, shall be exempted from the payment of any Tax under this Act.

VII. And it is hereby enacted, that the Chief Civil Authority of the said Settlement shall have power to appoint a Collector or Collectors, or such other Officer or Officers as may be deemed requisite for the collection of the Assessment and Taxes leviable under this Act at the several Stations of Prince of Wales' Island, Singapore and Malacca, and the dependencies and places subordinate or annexed thereto respectively.

VIII. And it is hereby enacted, that in any case where payment shall not be duly made of any Assessment charged and demanded under authority of this Act, the Collector or other Officer appointed to collect the same shall certify in writing such non-payment to any Justice of the Peace who, if he shall be satisfied that due diligence has been used to obtain payment, and that the same has been improperly withheld, shall issue his Warrant for levying the amount of such Assessment by seizure and sale of any Goods and Chattels and growing Crops whatsoever and to whomsoever belonging in or upon the Houses, Shops or other Buildings, or in or upon the lands respectively charged, and the overplus, if any, after deducting the expences of such seizure and sale, shall be paid to the Owner or Owners of the Goods, Chattels, or growing Crops so seized and sold, or to the person or persons in whose possession the same may have been found.

IX. And it is hereby enacted, that it shall be competent for the Collector or other Officer appointed to collect the aforesaid Assessment and Taxes at the said Stations of Prince of Wales' Island, Singapore and Malacca, and the dependencies and places aforesaid, in lieu of proceeding against defaulters by Warrant of Distress as aforesaid, to sue in his name for the recovery of any arrears through any Court of Justice to which such defaulters shall or may be amenable.

X. And it is hereby enacted, that the Court of Quarter Session of the said Settlement shall have power to hear and determine in such manner as to the said Court shall seem just all appeals by parties who may feel themselves aggrieved by, or who may have any reason to object to any demand for payment of any Assessment or Tax leviable under this Act whether on the ground of surcharge or otherwise, provided always, that before any application for any such appeal shall be entertained by the said Court the party or parties making the same shall first pay the amount of the Assessment or Tax charged, and at the time of such payment give notice in writing of his or their intention to appeal to the Collector or other Officer by whom such Assessment or Tax may have been demanded.

XI. And it is hereby enacted, that no appeal shall be allowed by the said Court of Quarter Session unless the same shall have been made and prosecuted within three months from the time of payment of the amount of Assessment or Tax demanded and delivery of such notice to the Collector or other Officer aforesaid.

XII. And it is hereby enacted, that the monies collected from the Assessment and Taxes leviable under this Act at the said several Stations of Prince of Wales' Island, Singapore and Malacca, and the dependencies and places aforesaid, shall be called the "Municipal Fund," and that the same or so much thereof as shall be required shall be applied in manner hereinafter mentioned, towards the payment and maintenance of an efficient Police and of an Establishment for the collection of the said Assessment and Taxes at each of the said Stations, dependencies and places; and also towards the efficient watching, repairing, renewing, cleansing, draining and keeping in repair the public Roads and Streets and all other public thoroughfares in Town and Country at each of the said Stations, dependencies and places; and also towards the repairing, renewing, building, rebuilding, cleansing and securely upholding all public Bridges, Jetties, Quays, Aqueducts, Canals, Sluices, Sewers and Sluice-gates made for or in the occupation or use of the public at the said Stations, dependencies and places either made, commenced or hereafter to be made; and also towards the lighting of the said public Streets and Bridges, and to the effecting of other purposes necessary for the comfort and protection of the inhabitants of the said Settlement, dependencies and places. Provided always, that all Roads, Streets and Bridges leading to and terminating at any Government House and other Building belonging to Government, or any Military Post, Barracks or Cantonment, or any Hospital, Poor House, Sailor's Home or other Benevolent or Charitable Institution under the patronage of Government, or any place of public Worship shall be deemed to be Public Roads, Streets and Bridges within the meaning of this Act.

XIII. And whereas it is desirable, that a certain number of the Rate-payers of the said Settlement should from time to time be appointed to

assist the Government in the management of the said Municipal Fund, as well as in the performance of other Municipal Acts hereinafter mentioned: It is hereby enacted, that it shall be lawful for the Chief Civil Authority of the said Settlement for the time being, from time to time, to nominate and appoint at each of the said Stations of Prince of Wales' Island, Singapore and Malacca, a Muncipal Committee to consist of five resident Rate-payers, of whom two shall be Officers of the local Government, and in case it shall be found impracticable from refusal to act, to obtain at either of the said Stations a sufficient number of unofficial persons to compose such Committee, it shall be competent for the said Chief Civil Authority to nominate and appoint a Committee of three resident Rate-payers instead of five; and that it shall be competent for the said Municipal Committee in conjunction with the said Chief Civil Authority, and under and in conformity with such orders and instructions as may from time to time be issued by the Governor of Bengal, to make order for the performance of the several objects and purposes specified and contained in Section XII. of this Act for which provision is thereby directed to be made out of the said Municipal Fund; and to authorize and sanction the payment and disbursement of all Bills and Charges for the same. Provided, nevertheless, that it shall be competent for the said Chief Civil Authority at any time, if he shall think fit, to refer any matter or thing whatsoever herein to be done and performed for the sanction or instructions of the Governor of Bengal, accompanied by the opinion or observations thereon of the said Municipal Committee, and that nothing in this Act contained shall be construed to affect any of the provisions of Act No. III. of 1847.

XIV. And it is hereby enacted, that the said Municipal Committee shall have power to make Rules and Regulations, subject to the approval of the said Chief Civil Authority, for more fully and effectually carrying out and performing the objects and purposes specified in Sections XII. and XIII. of this Act, and to alter or amend the same from time to time as may be necessary subject to the like approval.

XV. And it is hereby enacted, that as soon after the 1st day of January in every year as may be practicable, the Collector or other Officer appointed to collect the Assessment and Taxes under this Act at each of the said Stations of Prince of Wales' Island, Singapore and Malacca, shall prepare a detailed Statement of the said Municipal Fund exhibiting the sums collected under the respective heads of Assessment, Taxes or otherwise during the preceding year, and shewing also the disbursements which have been made during the same period, and that the said statement shall be published at the Station to which it relates in a Newspaper, and if such Station shall have no Newspaper then the publication shall be made in some Newspaper at any of the other Stations; and the said statement shall also be open to general inspection at the Office of such Collector or other Officer for a period of one month from the date of its publication.

XVI. And it is hereby enacted, that the Officer Superintending the Police at each of the said Stations of Prince of Wales' Island, Singapore and Malacca, shall between the 1st and 15th day of January in every year, require the Owners of all Palanquin Carriages, Carts, and other Vehicles, kept in such Station for the purpose of being let to hire for the conveyance of passengers or goods to enter such Palanquin Carriages, Carts and other Vehicles, in a Register to be kept for that purpose at the Police Office of such Station. And every Owner of a Palanquin Carriage, Cart or other Vehicle subject to such registration who shall omit or refuse to enter such Vehicle at the Police Office in manner aforesaid, shall on conviction before a Justice of the Peace, pay for each offence a fine not exceeding Twenty Spanish Dollars, with costs of prosecution to be recoverable on non-payment by Warrant of Distress and sale under the hand of the convicting Justice of the Peace, and the overplus, if any, of the Goods and Chattels sold shall be paid to such Owner or Owners.

XVII. And it is hereby enacted, that every Owner of a registered Palanquin Carriage, Cart or other Vehicle who shall neglect to place in a conspicuous part of such Vehicle a numbered board which shall be furnished to him by the Registering Officer, shall on conviction before a Justice of the Peace, pay a fine not exceeding Five Spanish Dollars for each offence, to be recovered in manner specified in the last foregoing Section.

XVIII. And it is hereby enacted, that all Quarter Session and Police fees, fines, poundage, and forfeitures imposed, levied and paid at each of the said Stations of Prince of Wales' Island, Singapore and Malacca shall be forthwith paid into the said Municipal Fund at such Station in aid of the several purposes specified in Section XII. of this Act.

XIX. And it is hereby enacted, that no Assessment or Charge made under authority of this Act shall be impeached or affected by reason of any mistake in the name of any person liable to Assessment or Tax, or of any thing chargeable with Assessment or Tax, or any mistake in the amount of Assessment or Tax charged provided the directions of this Act be in substance and effect complied with; and that no proceedings or other matter or thing had or done under this Act shall be quashed or set aside for want of form in any Court or Courts of Justice.

Resolution.—The following Act is brought up before the Legislative Council this day, The Right Hon'ble the Governor General in Council being desirous that no time should be lost in passing the Act, Resolved, that the Rule requiring a previous publication of two months or three months before the passing of any Act of the Government of India be suspended in respect to the following proposed Act, and that it be reconsidered at the first Legislative Meeting after the 15th of May next.

Fort William, Home Department, Legislative, the 15th April, 1848.

The following Draft of a proposed Act was read in Council for the first time on the 15th April 1848.

ACT No. —— OF 1848.

An Act for better defining the jurisdiction of the Calcutta Court of Commissioners for the Recovery of Small Debts.

Whereas by a Statute passed in the 39th year of the reign of His late Majesty King George the Third, intituled "An Act for establishing fur-"ther Regulations for the Government of the Bri-"tish Territories in India and the better Administration of Justice within the same," it was enacted that it should be lawful for the Governor General and Council of Fort William for the time being to order and appoint in what manner the Court of Requests of the Settlement of Fort William should in future be formed, and to what amount in value not exceeding the sum of Four Hundred Sicca Rupees the jurisdiction of the same should extend, and to frame and make such new rules and orders, and to establish and declare such new modes and forms of proceeding as to them should appear expedient for new-modelling, altering and reforming the then constitution of the said Court, and by their Proclamation to be made and published in due form of law to notify to all persons concerned such new constitution, rules, orders, modes and forms of proceeding and the time from whence they were to have force and effect: And whereas the then Vice President in Council, with the sanction and approbation of the then Governor General, by his Proclamation bearing date the 18th day of March in the year 1802, did in pursuance of the powers and authorities given by the said Statute, order and direct that the then Court of Requests for the Recovery of Small Debts, and all powers and authorities exercised by it should cease and determine, and that a new Court of Requests for the Recovery of Small Debts to be composed of three Commissioners and to be called "The Court of Commissioners for the Recovery of Small Debts," should be created in and for the Settlement of Fort William, and should exercise the powers and authorities in the said Proclamation particularly mentioned or referred to, and did by the said Proclamation extend the jurisdiction of the said Court to the sum of One Hundred Sicca Rupees and no more, and did by the said Proclamation give to the said Court full power and authority to make and frame such Rules and Regulations as might be necessary to direct the process and practice of the same, provided that no rule should be made which should be inconsistent with the said Proclamation, and that no rule or order to be framed by the said Court should be in force until the same should have been allowed by the Supreme Court of Judicature, and that the same when so allowed should be printed and published for the information of the public, and did by the said Proclamation order that the Summonses issued by the said Court should be made returnable on Mondays, Wednesdays and Fridays only: And whereas the then Governor General of and for the Presidency of Fort William in Bengal in Council did afterwards by another Proclamation bearing date the 25th day of September in the year 1813, extend the jurisdiction of the said Court to the sum of Two Hundred and Fifty Sicca Rupees and no more: And whereas the then Governor General in and for the Presidency of Fort William aforesaid in Council did afterwards by another Proclamation, bearing date the 29th day of October in the year 1819, order and direct that from and after the First day of December then next ensuing the jurisdiction of the said Court should extend to the sum of Four Hundred Sicca Rupees and no more, and that the Commissioners of the said Court should hold and exercise all powers and authorities theretofore or thereby granted to the said Court of Commissioners in suits for debts, duties or demands, not exceeding the value of Four Hundred Sicca Rupees in as full and ample a manner as the same powers and authorities had theretofore been or were then exercised by the said Court to the amount in value of Sicca Rupees Two Hundred and Fifty, and did by such Proclamation order that summonses be made returnable on such days as the said Commissioners might lawfully from time to time direct: And whereas the said Court of Commissioners hath exercised jurisdiction over and heard and determined all such matters as it is in and by the said several Proclamations authorized to hear and determine to the extent and amount in the said last Proclamation authorized: And whereas doubts have arisen whether the Governor General in Council had authority by a second Proclamation further to extend the jurisdiction of the said Court, and it is expedient to establish both retrospectively and prospectively the legality of the said last two Proclamations, and of all that has

been done or may hereafter be done in pursuance of and in conformity with the same or either of them: And whereas doubts have also arisen whether the powers given to the said Commissioners by the first of the said Proclamations are by the terms of the said third Proclamation effectually extended to the matters over which jurisdiction is thereby declared to be given to the said Court of Commissioners, and it is expedient to remove such doubts: And whereas the Rules, Orders and Regulations for the direction of the process and practice of the said Court which have been established in and by the said Court have not been allowed or published as directed by the said first Proclamation, and it is expedient to ratify and confirm the same notwithstanding such omission: And whereas the said Commissioners have been accustomed to sit separately and to form separate Courts sitting at the same time, and it is also expedient to establish as well prospectively as retrospectively the legality of that practice,—therefore, It is enacted, that all proceedings heretofore had or hereafter to be had in pursuance of and in conformity with the said Proclamations, or any of them by the said Commissioners, or any person or persons acting under their authority shall be deemed to have been and to be valid in law to all intents and purposes whatever, and against all persons and bodies corporate whomsoever, and that all the powers and authorities declared to be given to the said Commissioners by the said first Proclamation shall extend to and be exercised in respect of and shall be deemed to have heretofore extended to all matters which in and by the said several Proclamations, or any of them, the said Commissioners were authorized to hear and determine, and that all proceedings heretofore had by any Commissioner or Commissioners whilst sitting apart from the others or other of them, or by any person, or persons under his or their authority, shall be deemed and taken to have been as valid in law to all intents and purposes whatever, and against all persons and bodies corporate whomsoever as if the said Commissioners had been sitting together in the said Court of Requests, and that it shall be lawful for such Commissioners henceforth to sit either altogether or apart, and to hold one Court or separate Courts sitting at the same time in like manner as they have been heretofore accustomed to do; and that all rules, orders, forms of procedure, tables of fees now used or established in the said Court shall be deemed to have been from the time of their being first used or established respectively, and to be valid in law to all intents and purposes, notwithstanding the omission to procure the allowance of such of the same as should have been allowed as aforesaid, and notwithstanding the non-publication of such of the same as should have been published as aforesaid, and that all summonses and other process issued by the said Commissioners, or any of them, whether issued before or after the passing of this Act, shall be deemed to be valid and effectual in the law on whatsoever day the same shall have been made returnable.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first meeting of the Legislative Council of India after the 15th day of May 1848.

General Department.

To W. TAYLER, Esquire,
Post Master General, Calcutta.

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas;* and

that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

SATURDAY, APRIL 22, 1848.

Fort William, Home Department, Legislative, the 15th April, 1848.

Resolution.—The following Act is brought up before the Legislative Council this day, The Right Hon'ble the Governor General in Council being desirous that no time should be lost in passing the Act, Resolved, that the Rule requiring a previous publication of two months or three months before the passing of any Act of the Government of India be suspended in respect to the following proposed Act, and that it be reconsidered at the first Legislative Meeting after the 15th of May next.

Fort William, Home Department, Legislative, the 15th April, 1848.

The following Draft of a proposed Act was read in Council for the first time on the 15th April 1848.

ACT No. —— OF 1848.

An Act for better defining the jurisdiction of the Calcutta Court of Commissioners for the Recovery of Small Debts.

Whereas by a Statute passed in the 39th year of the reign of His late Majesty King George the Third, intituled "An Act for establishing fur-"ther Regulations for the Government of the Bri-"tish Territories in India and the better Administration of Justice within the same," it was enacted that it should be lawful for the Governor General and Council of Fort William for the time being to order and appoint in what manner the Court of Requests of the Settlement of Fort William should in future be formed, and to what amount in value not exceeding the sum of Four Hundred Sicca Rupees the jurisdiction of the same should extend, and to frame and make such new rules and orders, and to establish and declare such new modes and forms of proceeding as to them should appear expedient for new-modelling, altering and reforming the then constitution of the said Court, and by their Proclamation to be made and published in due form of law to notify to all persons concerned such new constitution, rules, orders, modes and forms of proceeding and the time from whence they were to have force and effect: And whereas the then Vice President in Council, with the sanction and approbation of the then Governor General, by his Proclamation bearing date the 18th day of March in the year 1802, did in pursuance of the powers and authorities given by the said Statute, order and direct that the then Court of Requests for the Recovery of Small Debts, and all powers and authorities exercised by it should cease and determine, and that a new Court of Requests for the Recovery of Small Debts to be composed of three Commissioners and to be called "The Court of Commissioners for the Recovery of Small Debts," should be created in and for the Settlement of Fort William, and should exercise the powers and authorities in the said Proclamation particularly mentioned or referred to, and did by the said Proclamation extend the jurisdiction of the said Court to the sum of One Hundred Sicca Rupees and no more, and did by the said Proclamation give to the said Court full power and authority to make and frame such Rules and Regulations as might be necessary to direct the process and practice of the same, provided that no rule should be made which should be inconsistent with the said Proclamation, and that no rule or order to be framed by the said Court should be in force until the same should have been allowed by the Supreme Court of Judicature, and that the same when so allowed should be printed and published for the information of the public, and did by the said Proclamation order that the Summonses issued by the said Court should be made returnable on Mondays, Wednesdays and Fridays only: And whereas the then Governor General of and for the Presidency of Fort William in Bengal in Council did afterwards by another Proclamation bearing date the 25th day of September in the year 1813, extend the jurisdiction of the said Court to the sum of Two Hundred and Fifty Sicca Rupees and no more: And whereas the then Governor General in and for the Presidency of Fort William aforesaid in Council did afterwards by another Proclamation, bearing date the 29th day of October in the year 1819, order and direct that from and after the First day of December then next ensuing the jurisdiction of the said Court should extend to the sum of Four Hundred Sicca Rupees and no more, and that the Commissioners of the said Court should hold and exercise all powers and authorities theretofore or thereby granted to the said Court of Commissioners in suits for debts, duties or demands, not exceeding the value of Four Hundred Sicca Rupees in as full and ample a manner as the same powers

and authorities had theretofore been or were then exercised by the said Court to the amount in value of Sicca Rupees Two Hundred and Fifty, and did by such Proclamation order that summonses be made returnable on such days as the said Commissioners might lawfully from time to time direct: And whereas the said Court of Commissioners hath exercised jurisdiction over and heard and determined all such matters as it is in and by the said several Proclamations authorized to hear and determine to the extent and amount in the said last Proclamation authorized: And whereas doubts have arisen whether the Governor General in Council had authority by a second Proclamation further to extend the jurisdiction of the said Court, and it is expedient to establish both retrospectively and prospectively the legality of the said last two Proclamations, and of all that has been done or may hereafter be done in pursuance of and in conformity with the same or either of them: And whereas doubts have also arisen whether the powers given to the said Commissioners by the first of the said Proclamations are by the terms of the said third Proclamation effectually extended to the matters over which jurisdiction is thereby declared to be given to the said Court of Commissioners, and it is expedient to remove such doubts: And whereas the Rules, Orders and Regulations for the direction of the process and practice of the said Court which have been established in and by the said Court have not been allowed or published as directed by the said first Proclamation, and it is expedient to ratify and confirm the same notwithstanding such omission: And whereas the said Commissioners have been accustomed to sit separately and to form separate Courts sitting at the same time, and it is also expedient to establish as well prospectively as retrospectively the legality of that practice,—therefore, It is enacted, that all proceedings heretofore had or hereafter to be had in pursuance of and in conformity with the said Proclamations, or any of them by the said Commissioners, or any person or persons acting under their authority shall be deemed to have been and to be valid in law to all intents and purposes whatever, and against all persons and bodies corporate whomsoever, and that all the powers and authorities declared to be given to the said Commissioners by the said first Proclamation shall extend to and be exercised in respect of and shall be deemed to have heretofore extended to all matters which in and by the said several Proclamations, or any of them, the said Commissioners were authorized to hear and determine, and that all proceedings heretofore had by any Commissioner or Commissioners whilst sitting apart from the others or other of them, or by any person, or persons under his or their authority, shall be deemed and taken to have been as valid in law to all intents and purposes whatever, and against all persons and bodies corporate whomsoever as if the said Commissioners had been sitting together in the said Court of Requests, and that it shall be lawful for such Commissioners henceforth to sit either altogether or apart, and to hold one Court or separate Courts sitting at the same time in like manner as they have been heretofore accustomed to do; and that all rules, orders, forms of procedure, tables of fees now used or established in the said Court shall be deemed to have been from the time of their being first used or established respectively, and to be valid in law to all intents and purposes, notwithstanding the omission to procure the allowance of such of the same as should have been allowed as aforesaid, and notwithstanding the non-publication of such of the same as should have been published as aforesaid, and that all summonses and other process issued by the said Commissioners, or any of them, whether issued before or after the passing of this Act, shall be deemed to be valid and effectual in the law on whatsoever day the same shall have been made returnable.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first meeting of the Legislative Council of India after the 15th day of May 1848.

Fort William, Home Department, Legislative, the 15th April, 1848.

Resolution.—The following Act is brought up before the Legislative Council this day, The Right Hon'ble the Governor General in Council being desirous that no time should be lost in passing this Act, Resolved, that the Rule requiring a previous publication of two months or three months before the passing of any Act of the Government of India be suspended in respect to the following proposed Act, and that it be reconsidered at the first Legislative Meeting after the 15th of May next.

Fort William, Home Department, Legislative, the 15th April, 1848.

The following Draft of a proposed Act was read in Council for the first time on the 15th April 1848.

ACT No. —— OF 1848.

An Act for better defining the jurisdiction of the Calcutta Court of Commissioners for the Recovery of Small Debts:

Whereas by a Statute passed in the 39th year of the reign of His late Majesty King George the Third, intituled "An Act for establishing fur-"ther Regulations for the Government of the Bri-"tish Territories in India and the better Administration of Justice within the same," it was enacted that it should be lawful for the Governor General and Council of Fort William for the time being to order and appoint in what manner the Court of Requests of the Settlement of Fort William should in future be formed, and to what amount in value not exceeding the sum of Four Hundred Sicca Rupees the jurisdiction of the same should extend, and to frame and make such new rules and orders, and to establish and declare such new modes and forms of proceeding as to them should appear expedient for new-modelling, altering and reforming the then constitution of the said Court, and by their Proclamation to be made and published in due form of law to notify to all persons concerned such new constitution, rules, orders, modes and forms of proceeding and the time from whence they were to have force and effect: And whereas the then Vice President in Council, with the sanction and approbation of the then Governor General, by his Proclamation bearing date the 18th day of March in the year 1802, did in pursuance of the powers and authorities given by the said Statute, order and direct that the then Court of Requests for the Recovery of Small Debts, and all powers and authorities exercised by it should cease and determine, and that a new Court of Requests for the Recovery of Small Debts to be composed of three Commissioners and to be called "The Court of Commissioners for the Recovery of Small Debts," should be created in and for the Settlement of Fort William, and should exercise the powers and authorities in the said Proclamation particularly mentioned or referred to, and did by the said Proclamation extend the jurisdiction of the said Court to the sum of One Hundred Sicca Rupees and no more, and did by the said Proclamation give to the said Court full power and authority to make and frame such Rules and Regulations as might be necessary to direct the process and practice of the same, provided that no rule should be made which should be inconsistent with the said Proclamation, and that no rule or order to be framed by the said Court should be in force until the same should have been allowed by the Supreme Court of Judicature, and that the same when so allowed should be printed and published for the information of the public, and did by the said Proclamation order that the Summonses issued by the said Court should be made returnable on Mondays, Wednesdays and Fridays only: And whereas the then Governor General of and for the Presidency of Fort William in Bengal in Council did afterwards by another Proclamation bearing date the 25th day of September in the year 1813, extend the jurisdiction of the said Court to the sum of Two Hundred and Fifty Sicca Rupees and no more: And whereas the then Governor General in and for the Presidency of Fort William aforesaid in Council did afterwards by another Proclamation, bearing date the 29th day of October in the year 1819, order and direct that from and after the First day of December then next ensuing the jurisdiction of the said Court should extend to the sum of Four Hundred Sicca Rupees and no more, and that the Commissioners of the said Court should hold and

exercise all powers and authorities theretofore or thereby granted to the said Court of Commissioners in suits for debts, duties or demands, not exceeding the value of Four Hundred Sicca Rupees in as full and ample a manner as the same powers and authorities had theretofore been or were then exercised by the said Court to the amount in value of Sicca Rupees Two Hundred and Fifty, and did by such Proclamation order that summonses be made returnable on such days as the said Commissioners might lawfully from time to time direct: And whereas the said Court of Commissioners hath exercised jurisdiction over and heard and determined all such matters as it is in and by the said several Proclamations authorized to hear and determine to the extent and amount in the said last Proclamation authorized: And whereas doubts have arisen whether the Governor General in Council had authority by a second Proclamation further to extend the jurisdiction of the said Court, and it is expedient to establish both retrospectively and prospectively the legality of the said last two Proclamations, and of all that has been done or may hereafter be done in pursuance of and in conformity with the same or either of them: And whereas doubts have also arisen whether the powers given to the said Commissioners by the first of the said Proclamations are by the terms of the said third Proclamation effectually extended to the matters over which jurisdiction is thereby declared to be given to the said Court of Commissioners, and it is expedient to remove such doubts: And whereas the Rules, Orders and Regulations for the direction of the process and practice of the said Court which have been established in and by the said Court have not been allowed or published as directed by the said first Proclamation, and it is expedient to ratify and confirm the same notwithstanding such omission: And whereas the said Commissioners have been accustomed to sit separately and to form separate Courts sitting at the same time, and it is also expedient to establish as well prospectively as retrospectively the legality of that practice,—therefore, It is enacted, that all proceedings heretofore had or hereafter to be had in pursuance of and in conformity with the said Proclamations, or any of them by the said Commissioners, or any person or persons acting under their authority shall be deemed to have been and to be valid in law to all intents and purposes whatever, and against all persons and bodies corporate whomsoever, and that all the powers and authorities declared to be given to the said Commissioners by the said first Proclamation shall extend to and be exercised in respect of and shall be deemed to have heretofore extended to all matters which in and by the said several Proclamations, or any of them, the said Commissioners were authorized to hear and determine, and that all proceedings heretofore had by any Commissioner or Commissioners whilst sitting apart from the others or other of them, or by any person, or persons under his or their authority, shall be deemed and taken to have been as valid in law to all intents and purposes whatever, and against all persons and bodies corporate whomsoever as if the said Commissioners had been sitting together in the said Court of Requests, and that it shall be lawful for such Commissioners henceforth to sit either altogether or apart, and to hold one Court or separate Courts sitting at the same time in like manner as they have been heretofore accustomed to do; and that all rules, orders, forms of procedure, tables of fees now used or established in the said Court shall be deemed to have been from the time of their being first used or established respectively, and to be valid in law to all intents and purposes, notwithstanding the omission to procure the allowance of such of the same as should have been allowed as aforesaid, and notwithstanding the non-publication of such of the same as should have been published as aforesaid, and that all summonses and other process issued by the said Commissioners, or any of them, whether issued before or after the passing of this Act, shall be deemed to be valid and effectual in the law on whatsoever day the same shall have been made returnable.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be re-considered at the first meeting of the Legislative Council of India after the 15th day of May 1848.

Fort William, Home Department, Legislative, the 29th April, 1848.

The following Draft of a proposed Act was read in Council for the first time on the 29th April 1848.

ACT No. —— OF 1848.

An Act for better enforcing the attendance of proprietors and farmers of land before Collectors of Land Revenue in the Bengal Presidency.

Whereas by Clause 3, Section 13 of Regulation II. 1819 and by Section 19 of Regulation VII. 1822. and Section 3, Regulation IX. 1825 of the Bengal Code, provision is made for the imposition of a daily fine by the Board of Revenue, or other authority exercising the powers of that Board on any proprietor or farmer of land subject to the provisions contained in the recited Clauses and Sections of the said several Regulations, who when duly summoned by the Collector or Commissioner shall omit or refuse to attend, or to cause his Officer or Agent to attend, or to furnish the accounts or documents required, and shall not shew sufficient cause for such omission; and it is further provided in and by the first recited Regulation, that the fine when confirmed by Government is to be levied by the same process as is prescribed for the recovery of arrears of revenue; and whereas in many cases by the delay thus occasioned, the progress of the survey is hindered, and the whole burden of the penalty is greatly increased beyond what would be necessary, if summary power were given to the Officer by whom the requisition is made, to impose and levy reasonable fines, subject to review by the Commissioner of Revenue and other superior authority, It is enacted as follows:

I. If any proprietor or farmer of land shall omit or refuse to attend, or to cause his Officer or Agent to attend, when duly summoned by the Collector, in any of the cases specified in the recited Regulations, or either of them, by the time prescribed in the notice issued by the Collector, or shall omit or refuse to furnish the accounts or documents required, and shall not shew sufficient cause for such omission, the Collector or other Officer empowered to make the requisition shall be empowered to impose of his own authority such daily fine, to be payable daily until he complies with the Collector's requisition, as such Collector or other Officer may think adequate to his situation and circumstances in life, not exceeding in any case the daily fine of 50 Rupees: and the amount of such fine accruing due from time to time may be levied without further confirmation by the same process as is prescribed for the recovery of arrears of revenue.

II. The Collector shall forthwith report the imposition of every such fine, and the amount thereof, and also from time to time the amount levied, to the Commissioner of Revenue, who shall report the same for the information of the local Government.

III. Every order passed by a Collector, or person exercising the powers of a Collector under this Act, shall be appealable in the usual manner to the Commissioner of Revenue, and other superior authority, but no such appeal shall avail to prevent the levy of any fine so imposed pending the appeal.

IV. Whenever the amount levied under any such order issued for any default by authority of a Collector or person exercising the power of a Collector under this Act, shall have exceeded 500 Rupees, the Collector shall report the case specially to the Commissioner of Revenue, and no further levy for such default shall be made otherwise than by authority of the Commissioner of Revenue.

V. Nothing in this Act contained shall be deemed to repeal the power of imposing daily fines and of levying the fines so imposed in the manner prescribed by the said Regulations.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council of India after the 29th day of June next.

Produce of Behar Agency, ...	Chests	1,830
Ditto of Benares ditto,.....	„	780
Total Chests,...		2,610

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may, at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday,) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 17th May, 1848; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expenses whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 17th May, 1848, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts, or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 17th May, 1848, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 30th of May, 1848, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale, on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William, in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake.

An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertized for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity abovementioned, the following quantities, more or less, of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:—

Fort William, Home Department, Legislative, the 29th April, 1848.

The following Draft of a proposed Act was read in Council for the first time on the 29th April 1848.

ACT No. —— OF 1848.

An Act for better enforcing the attendance of proprietors and farmers of land before Collectors of Land Revenu in the Bengal Presidency.

Whereas by Clause 3, Section 13 of Regulation II. 1819 and by Section 19 of Regulation VII. 1822. and Section 3, Regulation IX. 1825 of the Bengal Code, provision is made for the imposition of a daily fine by the Board of Revenue, or other authority exercising the powers of that Board on any proprietor or farmer of land subject to the provisions contained in the recited Clauses and Sections of the said several Regulations, who when duly summoned by the Collector or Commissioner shall omit or refuse to attend, or to cause his Officer or Agent to attend, or to furnish the accounts or documents required, and shall not shew sufficient cause for such omission; and it is further provided in and by the first recited Regulation, that the fine when confirmed by Government is to be levied by the same process as is prescribed for the recovery of arrears of revenue; and whereas in many cases by the delay thus occasioned, the progress of the survey is hindered, and the whole burden of the penalty is greatly increased beyond what would be necessary, if summary power were given to the Officer by whom the requisition is made, to impose and levy reasonable fines, subject to review by the Commissioner of Revenue and other superior authority, It is enacted as follows:

I. If any proprietor or farmer of land shall omit or refuse to attend, or to cause his Officer or Agent to attend, when duly summoned by the Collector, in any of the cases specified in the recited Regulations, or either of them, by the time prescribed in the notice issued by the Collector, or shall omit or refuse to furnish the accounts or documents required, and shall not shew sufficient cause for such omission, the Collector or other Officer empowered to make the requisition shall be empowered to impose of his own authority such daily fine, to be payable daily until he complies with the Collector's requisition, as such Collector or other Officer may think adequate to his situation and circumstances in life, not exceeding in any case the daily fine of 50 Rupees: and the amount of such fine accruing due from time to time may be levied without further confirmation by the same process as is prescribed for the recovery of arrears of revenue.

II. The Collector shall forthwith report the imposition of every such fine, and the amount thereof, and also from time to time the amount levied, to the Commissioner of Revenue, who shall report the same for the information of the local Government.

III. Every order passed by a Collector, or person exercising the powers of a Collector under this Act, shall be appealable in the usual manner to the Commissioner of Revenue, and other superior authority, but no such appeal shall avail to prevent the levy of any fine so imposed pending the appeal.

IV. Whenever the amount levied under any such order issued for any default by authority of a Collector or person exercising the power of a Collector under this Act, shall have exceeded 500 Rupees, the Collector shall report the case specially to the Commissioner of Revenue, and no further levy for such default shall be made otherwise than by authority of the Commissioner of Revenue.

V. Nothing in this Act contained shall be deemed to repeal the power of imposing daily fines and of levying the fines so imposed in the manner prescribed by the said Regulations.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council of India after the 29th day of June next.

No. 547 of 1848.

General Department, North Western Provinces, Agra, the 28th April, 1848.

Appointment—Mr. Mosely Smith to be a Member of the Local Committee of Public Instruction at Jubbulpore.

No. 1695 of 1848.

Agra, Judicial Department, the 28th April, 1848.

Notification.—1. The arrangements for the supply of provisions and for the protection of tra-

vellers along the Grand Trunk Road have lately engaged much of the attention of the Government, Reports and suggestions on the subject have been called for from the Local Officers, and Major Steel after marching along the whole course of the Road, has furnished his remarks for the consideration of the Lieutenant Governor. The most important of the results are embodied in this Notification, and published for general information, in order that travellers in general may be apprised of the measures, which are in progress for their accommodation and protection.

2. All enquiries show that there is a great and increasing traffic along the Grand Trunk Road. This traffic may become the source of great profit to the Zemindars and residents along the road, if effectual measures are taken in every district to protect the people from oppression on the part of Civil and Military Servants of the Government, and other travellers who may pass along its course. It is also necessary to make adequate arrangements for the supply of the necessary wants of travellers, and to protect them and their property from injury on the road.

3. The following measures will be found conducive to these ends.

4. *Encamping Grounds.* These have been generally marked out along the road, but there is much reason to believe that it will be found preferable to have the two encamping grounds, each of the prescribed size of 400 yards square, on the same side of the village, instead of on opposite sides. The two encamping grounds should be adjoining to each other, so that all the arrangements for the supply of troops and travellers may be collected on the spot, and permanently stored there. If this can be now effected without great inconvenience it should be done, and the Orders of March 25, 1847, should be held so far modified.

5. *Supply of Provisions.* The Orders of January 21, 1833, must be carried out for ensuring the sale of all Burdasht articles on the spot. The erection of Burdasht Khanahs on the ground, or in its immediate vicinity, has been found very effective. These buildings consist of an enclosure where wood, charcoal, earthenware vessels, and other similar articles can be stored, with a few Bunneah's shops attached outside. The cost of each Burdasht Khanah is calculated at 200 Rupees.

6. There is every reason to believe that Contractors can be found who will undertake at all such places to sell the articles in most common demand. The following advances should be given on good security.

Bunneah, ...	200	Rs.
Firewood and Bhoora, ...	150	„
Milkman, ...	40	„
Fowls and Eggs, ...	25	„
Kurbee, ...	35	„
Grass and Straw, ...	20	„
Halwaye, ...	10	„
Shepherd, ...	25	„
Oilman, ...	25	„
Coomar for pots, ...	10	„
Chowdree for supplying Bearers, Coolies and Carriage to a fixed moderate amount, ...	50	„
Chebenee, ...	25	„
Total, ...	615	„

7. The Contractors should be prohibited from having any intercourse with the Police as regards the collection and sale of their articles. They should have ware-house room, and shops rent free in the Burdasht Khanahs, but they are to have no privileges or monopoly. They should be bound under sufficient penalty to furnish all applicants at the current market price of the day. Detachments of troops or parties of travellers may be supplied retail, but whenever Regimental or other Bazars are attached to a Camp, the supply should be wholesale to the persons appointed to receive them. The wood should be made up in parcels each of the value of 1 pice, a specified number of which are to go to the maund. These should be sold wholesale or retail as may be required. The absolute prohibition against the demand of any articles, either gratis or at less than the market price, is applicable to all Government Servants as well as to Sepoys. Police or Revenue Officers are especially bound to pay fairly for what they may require.

8. The Contractors should be furnished by the Collector with Certificates in English and Oordoo, setting forth the obligations under which they lie. and the protection to which they are entitled, The price of all articles of fixed value must be specified in their Certificate. They must be bound to supply on requisition a Price Current of all articles of fluctuating value. This Price Current must always be presented to the Commanding Officer of a Regiment on his arrival in duplicate. He should countersign one and send it to the Collector for his information.

9. The Revenue Officer who is placed in charge of these arrangements, is bound to see that the above provisions are complied with. It is also his duty to bring instantly to the notice of the Commanding Officer of a Regiment complaints that may be made by the Contractors of any injury they have received from Sepoys or Camp-Followers. These representations may be made either verbally or in writing, and information should be sent of them to the Collector.

10. A Collector or Magistrate on receiving a well supported complaint against an Officer of the Army, or Detachment of Troops, should immediately send information of it to the General Officer Commanding the Division towards which the party complained against, is moving. He should at the same time furnish the Commissioner of the Division with a copy of his representation.

11. *Serais.*—There is every reason to believe that the Zemindars and Butteearahs and other individuals will, with proper encouragement, erect Serais or other places of accommodation for travellers at their own cost, either with a view to profit, or as a meritorious charitable act. It is on every account desirable that such efforts should be promoted to the utmost. Buildings of this description are on many accounts preferable to Government Serais. The Police should be strictly prohibited from interfering in such matters, so as unduly to favor any party, or to derive to themselves a profit from the undertakings. Their watch should be kept outside the buildings, and they should never enter them in their official capacity, unless to repress evident breaches of the peace, or otherwise in the regular execution of their duty. They must be strictly prohibited from levying any dues from travellers who may alight at Serais, or from compelling them to resort to particular places. Butteearahs must be protected in the fair exercise of their calling, and measures must be taken to enforce the same payments to them from Government Officers as are demanded from other indivi-

duals. If no private individual will erect a suitable Serai, it may be expedient to build one at the Government expense, but in that case, the Police must not be allowed to use any undue measures for promoting resort to the Government Serai.

12. *Police.*—The preferable form for Murhellahs is that of a building slightly raised above the ground and close on the road, consisting of two rooms and a verandah in front. The Murhellahs should be built at the distance of 2 miles the one from the other. Each Murhellah should contain a Burkundauze and two Chowkeedars, who should always be present at night, and each Chowkeedar should have charge of a mile's length of road immediately contiguous to the Murhellah on either side. A Murhellah of this description may be constructed for about 50 Rupees.

13. Chowkees of larger dimensions and with accommodation for a Jemadar, two Sowars and several Burkundauzes, consisting of six rooms, and stabling for two horses, should be erected at convenient posts.

14. The Tuhseeldarees and Thanahs should be brought as much on the Grand Trunk Road as may be consistent with other public objects.

15. It will be the duty of the Chowkeedars and of the Burkundauzes to afford protection to all travellers with merchandize or goods who may stay for the night at Puraos or other established halting places in their vicinity, but they must be strictly prohibited from compelling travellers to stop at any particular place, nor must they be allowed to make any charge for the protection they afford. Travellers who require separate Chowkeedars for the protection of their baggage or tents at the established encamping grounds, will be furnished with them at a settled price by the Officer of the Collector's Establishment who is stationed on the spot. For such Chowkeedars the established fee must be always paid.

16. The Tuhseeldars along the road will generally be invested with the powers of Deputy Magistrates. In that capacity it will be their duty to see that all provisions are punctually paid for, and that all Coolies and hired Chowkeedars receive their proper wages. In the event of any complaints being preferred to them of non-payment, or ill-treatment, on the parts of troops or travellers, they will immediately bring the circumstance to the notice of the party against whom the complaint is lodged, either verbally or in writing, and if the matter is not promptly and satisfactorily settled, they will take evidence to the facts, and will either dispose of the case themselves, or send a representation of it, with their opinion, to the Collector or the Magistrate, as may be necessary.

17. They will further exert themselves to prevent all exactions on the part of the Chowkeedars or Burkundauzes or other Officers of Government on the road, whether directed against residents in the vicinity, traders or shopmen located on the road, or travellers passing along it. They will bring to the notice of the Collector or Magistrate all instances of misconduct of this nature, with their recommendation as to the proper notice to be taken of the offence.

18. On the occurrence of any crimes upon the road, especially where travellers are concerned, it will be the duty of the Deputy Magistrates to enter upon the case directly, so that the parties may suffer no unnecessary detention. If the case be within their competency they will dispose of it at once, otherwise they will send the criminal with the proceedings to the Magistrate for his final orders, and will suffer all others, who are concerned in the case, and may be no further required, to pass on.

19. The Magistrate will pay particular attention to the characters of the Police Officers, who may be stationed along the road, and he will suitably encourage the deserving. In like manner the Collector will keep a vigilant watch over the Officers of his Establishment, who may be entrusted with the superintendence of supplies at the several encamping grounds. He will be careful that the supervision of the arrangements at each halting place is entrusted to one competent individual, and that this person be furnished with written authority to act, and with definite instructions both in English and Oordoo.

20. The Collector and Magistrate himself or one of his best qualified Assistants, will make it a point to visit the halting grounds and the Chowkees, Serais and other public buildings along the road as often as may be practicable, and during the cold weather some responsible Officer should, if possible, be charged with the duty of moving along the road, and seeing that existing rules are observed.

21. The preceding directions will indicate the nature of the arrangements, which it is considered desirable to make, though some time may elapse before all can be completed, and perhaps particular causes may prevent their universal adoption. It is intended that in the course of the approaching cold weather Major Steel shall again pass along the road, and ascertain how much has been done, and how much more may be effected towards the accomplishment of the desired objects.

By order of the Hon'ble the Lieutenant Governor of the North Western Provinces,

J. THORNTON, *Secy. to Govt. N. W. P.*

OPIUM.—Notice is hereby given, that on Monday, the 15th May, 1848, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by Public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the provision of 1846-47, subject to the following Conditions, viz.—

Produce of Behar Agency, ... Chests	1,830
Ditto of Benares ditto, ... „	780
Total Chests,...	2,610

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may, at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday,) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 17th May, 1848; or on the other hand, failing such redemption by the time aforesaid, then the lot or

lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expenses whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 17th May, 1848, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts, or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 17th May, 1848, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 30th of May, 1848, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities. under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale, on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William, in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertised for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake.

An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertized for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with establish-

ed usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity abovementioned, the following quantities, more or less, of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:—

WEDNESDAY, MAY 10, 1848.

Fort William, Home Department, Legislative, the 29th April, 1848.

The following Draft of a proposed Act was read in Council for the first time on the 29th April 1848.

ACT No. —— OF 1848.

An Act for better enforcing the attendance of proprietors and farmers of land before Collectors of Land Revenue in the Bengal Presidency.

Whereas by Clause 3, Section 13 of Regulation II. 1819 and by Section 19 of Regulation VII. 1822, and Section 3, Regulation IX. 1825 of the Bengal Code, provision is made for the imposition of a daily fine by the Board of Revenue, or other authority exercising the powers of that Board on any proprietor or farmer of land subject to the provisions contained in the recited Clauses and Sections of the said several Regulations, who when duly summoned by the Collector or Commissioner shall omit or refuse to attend, or to cause his Officer or Agent to attend, or to furnish the accounts or documents required, and shall not shew sufficient cause for such omission; and it is further provided in and by the first recited Regulation, that the fine when confirmed by Government is to be levied by the same process as is prescribed for the recovery of arrears of revenue; and whereas in many cases by the delay thus occasioned, the progress of the survey is hindered, and the whole burden of the penalty is greatly increased beyond what would be necessary, if summary power were given to the Officer by whom the requisition is made, to impose and levy reasonable fines, subject to review by the Commissioner of Revenue and other superior authority, It is enacted as follows:

I. If any proprietor or farmer of land shall omit or refuse to attend, or to cause his Officer or Agent to attend, when duly summoned by the Collector, in any of the cases specified in the recited Regulations, or either of them, by the time prescribed in the notice issued by the Collector, or shall omit or refuse to furnish the accounts or documents required, and shall not shew sufficient cause for such omission, the Collector or other Officer empowered to make the requisition shall be empowered to impose of his own authority such daily fine, to be payable daily until he complies with the Collector's requisition, as such Collector or other Officer may think adequate to his situation and circumstances in life, not exceeding in any case the daily fine of 50 Rupees: and the amount of such fine accruing due from time to time may be levied without further confirmation by the same process as is prescribed for the recovery of arrears of revenue.

II. The Collector shall forthwith report the imposition of every such fine, and the amount thereof, and also from time to time the amount levied, to the Commissioner of Revenue, who shall report the same for the information of the local Government.

III. Every order passed by a Collector, or person exercising the powers of a Collector under this Act, shall be appealable in the usual manner to the Commissioner of Revenue, and other superior authority, but no such appeal shall avail to prevent the levy of any fine so imposed pending the appeal.

IV. Whenever the amount levied under any such order issued for any default by authority of a Collector or person exercising the power of a Collector under this Act, shall have exceeded 500 Rupees, the Collector shall report the case specially to the Commissioner of Revenue, and no further levy for such default shall be made otherwise than by authority of the Commissioner of Revenue.

V. Nothing in this Act contained shall be deemed to repeal the power of imposing daily fines and of levying the fines so imposed in the manner prescribed by the said Regulations.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council of India after the 29th day of June next.

NOTIFICATION.

Fort William, the 29th April, 1848.

OPIUM.—Notice is hereby given, that on Monday, the 15th May, 1848, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by Public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the provision of 1846-47, subject to the following Conditions, viz.—

Produce of Behar Agency, ...	Chests	1,830
Ditto of Benares ditto,.....	,,	780
Total Chests,...		2,610

CONDITIONS OF SALE

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may, at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday,) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 17th May, 1848; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expenses whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 17th May, 1848, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts, or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 17th May, 1848, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 30th of May, 1848, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale, on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William, in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake.

An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertized for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity abovementioned, the following quantities, more or less, of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:—

Fort William, Home Department, Legislative, the 6th May, 1848.

The following Draft of a proposed Act was read in Council for the first time on the 6th of May, 1848.

ACT No. —— of 1848.

An Act for the appointment of an Administrator General of unrepresented Estates in Bengal and for the regulation of that Office, and for the regulation of the Offices of the Supreme Court of Judicature at Fort William in Bengal.

Whereas by an Act of Parliament passed in a Session holden in the 39th and 40th years of the reign of King George the 3d, entitled "An Act for establishing further Regulations for the Government of the British Territories in India, and for the better Administration of Justice within the same," it was amongst other things provided that from and after the First day of March in the year of Our Lord One Thousand Eight Hundred and One, whenever any British Subject should die intestate within either of the Presidencies of Fort William, Fort St. George or Bombay respectively, or the Territories subordinate to either of the said Presidencies, or to become subordinate thereto, and on the return of the citation issued from the proper Ecclesiastical Court, no next of Kin or Creditor should appear and make out their claim to the Administration of the Effects of the intestate deceased to the satisfaction of the said Court, it should and might be lawful for the Registrar of such Court respectively, and he was thereby required to apply for, and such Court was thereby required and directed to grant such Letters ad Colligenda, or of Administration, as to such Court should seem meet, by virtue whereof such Registrar should collect the assets of the deceased, and should bring them for safe custody into such Court, and account for them regularly in like manner as was then by Law provided in cases where assets were in the hands of any Officer of the Court under or by virtue of the Equitable jurisdiction of any such Court: And whereas by a certain other Act of Parliament passed in the 55th year of the same reign, entitled "An Act to amend so much of an Act of the 39th year of His present Majesty as relates to fixing the limits of the Towns of Calcutta, Madras and Bombay; and also so much of an Act of the 39th and 40th year of His present Majesty as relates to the granting of Letters of Administration to the Effects of persons dying intestate within the several Presidencies in the East Indies to the Registrar of the Ecclesiastical Courts: and to enable the Governor and Council of the said Presidencies to remove persons not being British Subjects and to make provisions for the Judges in the East Indies in certain cases," it was amongst other things provided that in all cases in which the said Registrar should obtain a grant of Letters of Administration or ad Colligenda bona under the provisions of the Acts enabling and requiring him to apply for the same the said Registrar should enter into a book to be kept by him for that purpose separate and distinct accounts of each Estate, and of all such sums of Money, Bonds and other Securities for Money, Goods, Effects and things, as should come to his hands or to the hands of any persons employed by him, or in trust for him, by virtue of any Letters ad Colligenda, or of Administration granted to him under the authority of the said Act, and likewise of all payments made by him for and on account of the said Estates, and of all debts due by or to the same, specifying the dates of such receipts and payments respectively which said book should be kept in the Registrar's Office, and should be open for the inspection of all such persons practitioners in the said Courts and others as might have occasion to inspect the same, at office hours, paying such reasonable fee as might be fixed therefore by the said Courts and no more; and the said Registrar should twice in every year, that is, on the First day of March and on the Twenty-second day of October, or on the First day after those days on which their respective Courts should be sitting, exhibit and deliver in open Court, a true and perfect Schedule of all sums of Money, Bonds or other Securities received on account of each Estate remaining under their charge, together with the payments made thereout and the balances; and also of all Administrations whereof the balances should have been paid over to the persons entitled to the same, since the period of exhibiting the last Schedule, specifying the amount of such balances, and the persons to whom paid, which should be filed of record in the said Courts, and should within fourteen days afterwards be published in the Gazette of the Presidencies within which such Courts are respectively situated by the

said Registrar, who should likewise cause copies thereof in triplicate to be delivered to the Chief Secretary of such Presidency, and the same should be transmitted by the respective Governors at such Presidencies to the Court of Directors of the East India Company, who upon the receipt thereof should cause the same to be published in the London Gazette: And whereas it is desirable to disconnect the Administration of such Estates from the Office of Ecclesiastical Registrar of the Supreme Court, and to provide for the Administration of such Estates by the Officer by this Act to be appointed for that purpose, and to extend to that Officer the provisions hereinbefore recited, and to make further provisions for the due Administration of such Estates, It is enacted as follows:

I. All Letters of Administration or ad Colligenda bona granted to the Ecclesiastical Registrar of the Supreme Court, and all Probates granted to such Officer of Wills appointing the Ecclesiastical Registrar of the Supreme Court by that description or him and his successors Executors thereof, and all Estates, Effects and Interests, vested in the said Ecclesiastical Registrar by virtue thereof, and all books, papers and documents belonging to him or in his possession, or under his power or controul by virtue of such Letters or Probate, shall by virtue and operation of this Act, and without other grant be transferable and shall be forthwith transferred to the Administrator General by this Act created, who shall be to all intents and purposes such Administrator, Executor, or Grantee in his new character of Administrator General as the Ecclesiastical Registrar of the Supreme Court was, and shall have as such Administrator, Executor or Grantee all the same powers, as the said Ecclesiastical Registrar might exercise at the time of passing this Act as such Administrator, Executor or Grantee.

II. The Ecclesiastical Registrar at the time of the passing of this Act shall be the first Administrator General, and shall upon the passing of this Act cease to be Ecclesiastical Registrar, and shall as such Administrator General be entitled to receive or retain all Commission to which he was entitled as Ecclesiastical Registrar at the time of the passing of this Act on any such grants as aforesaid.

IV. The Administrator General shall receive as the remuneration for the discharge of his duties as such Administrator General under all such grants of Letters as aforesaid made after the passing of this Act, or on Probates of Wills so granted after the passing of this Act wherein he is named Executor by virtue of his Office a Commission of three Rupees in the Hundred on each Estate instead of the five per cent. IX. At the said several times when the said Schedules shall be exhibited and delivered to the Supreme Court of Judicature at Fort William in Bengal, duplicates thereof shall also be laid before the Governor General of India in Council, who shall refer the same to such person or persons as he may from time to time appoint for that purpose to examine such Schedules, and to report to the said Governor General in Council whether they contain the matters by the said Statute directed to be therein respectively inserted, and shall enquire into the truth and correctness of the matters stated in such Schedules so far as regards the receipts and payments therein stated to have been had and made, so as to ascertain whether the same as stated to have been had and made have in fact been so had and made, and shall also ascertain whether the Books directed by the said Act of Parliament of the 55th Geo. 3d to be kept in the said Registrar's Office, and by this Act directed to be kept by the Administrator General are kept as this

In the absence of these documents, owners should depute a person to be present at the opening of their Packages.

The Collector has nothing to do with the landing of Packages from Ships, nor with forwarding them to their owners or destinations.

NOTIFICATION.

Fort William, the 29th April, 1848.

OPIUM.—Notice is hereby given, that on Monday, the 15th May, 1848, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by Public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the provision of 1846-47, subject to the following Conditions, viz.—

Produce of Behar Agency,	Chests	1,830
Ditto of Benares ditto,	„	780
Total Chests,		2,610

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may, at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday,) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Pro-

missory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 17th May, 1848; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expenses whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 17th May, 1848, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts, or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 17th May, 1848, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 30th of May, 1848, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser, or his order.

11th.—The Officer Superintending the Sale, on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William, in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake.

An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscrimiuately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertized for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity abovementioned, the following quantities, more or less, of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:—

NOTICE.—With reference to the notice issued from this office on the 18th May 1846, relative to the remission of Excise Duty on Rum, used in the manufacture of Sugar and Molasses intended for Exportation, it is hereby notified, that licences for the use of Rum in Sugar Factories will, on application, be granted in future by the Abkarry Superintendents, and not by the Secretary to the Board as heretofore.

Parties applying to use Rum duty-free for the purpose above-mentioned, must tender, as deposit, the amount of the consolidated Abkarry duty of Eight Annas a Gallon upon the quantity of Rum intended to be so used, or enter into a Bond, by which such payment shall be secured to Government, in the event of the Rum not being used as intended.

If a Bond be executed, a Member of some established house of business in Calcutta, must be one of the parties bound, and the parties must be jointly and severally answerable for any amount which may ultimately fall due under the Bond.

A Form of the Bond, the period of the currency of which is not in the first instance to exceed Six Months, will be furnished on application by the Abkarry Superintendent, within whose jurisdiction the Distillery or Sugar Factory may be situated, and the Bond shall be renewable for a further period not exceeding Six Months, if the Rum covered by it be not consumed—all Rum left unconsumed at the end of a Twelve Month will be liable to duty.

For any further quantity of Rum required, a new Bond must be executed.

An Establishment consisting of one Darogah and two Chuprassies will be maintained by Government at each Sugar Factory, where permission may be given to use Rum duty-free, and the cost of the same amounting as shewn in the margin, to Company's Rupees 34 per mensem, will be borne by the Owner or Agent of the Sugar Factory, and paid regularly on the 1st of each month to the Abkarry Superintendent.

Darogah, ...	24
2 Chuprassies, @ 5 each, ...	10
Co.'s Rs.	34

In Rum Distilleries to which Sugar Factories are attached, no extra establishment will be required, provided the Sugar Factory is within the Distillery Walls.

The use of Rum on which duty has not been paid, in refining Sugar and Molasses, in anticipation of the execution of a Bond, or before the required Cash deposit has been made, will in no case be permitted.

Whereas by an Act of Parliament passed in a Session holden in the 39th and 40th years of the reign of King George the 3d, entitled "An Act for establishing further Regulations for the Government of the British Territories in India, and for the better Administration of Justice within the same," it was amongst other things provided that from and after the First day of March in the year of Our Lord One Thousand Eight Hundred and One, whenever any British Subject should die intestate within either of the Presidencies of Fort William, Fort St. George or Bombay respectively, or the Territories subordinate to either of the said Presidencies, or to become subordinate thereto, and on the return of the citation issued from the proper Ecclesiastical Court, no next of Kin or Creditor should appear and make out their claim to the Administration of the Effects of the intestate deceased to the satisfaction of the said Court, it should and might be lawful for the Registrar of such Court respectively, and he was thereby required to apply for, and such Court was thereby required and directed to grant such Letters ad Colligenda, or of Administration, as to such Court should seem meet, by virtue whereof such Registrar should collect the assets of the deceased, and should bring them for safe custody into such Court, and account for them regularly in like manner as was then by Law provided in cases where assets were in the hands of any Officer of the Court under or by virtue of the Equitable jurisdiction of any such Court: And whereas by a certain other Act of Parliament passed in the 55th year of the same reign, entitled "An Act to amend so much of an Act of the 39th year of His present Majesty as relates to fixing the limits of the Towns of Calcutta, Madras and Bombay; and also so much of an Act of the 39th and 40th year of His present Majesty as relates to the granting of Letters of Administration to the Effects of persons dying intestate within the several Presidencies in the East Indies to the Registrar of the Ecclesiastical Courts: and to enable the Governor and Council of the said Presidencies to remove persons not being British Subjects and to make provisions for the Judges in the East Indies in certain cases," it was amongst other things provided that in all cases in which the said Registrar should obtain a grant of Letters of Administration or ad Colligenda bona under the provisions of the Acts enabling and requiring him to apply for the same the said Registrar should enter into a book to be kept by him for that purpose separate and distinct accounts of each Estate, and of all such sums of Money, Bonds and other Securities for Money, Goods, Effects and things, as should come to his hands or to the hands of any persons employed by him, or in trust for him, by virtue of any Letters ad Colligenda, or of Administration granted to him under the authority of the said Act, and likewise of all payments made by him for and on account of the said Estates, and of all debts due by or to the same, specifying the dates of such receipts and payments respectively which said book should be kept in the Registrar's Office, and should be open for the inspection of all such persons practitioners in the said Courts and others as might have occasion to inspect the same, at office hours, paying such reasonable fee as might be fixed therefore by the said Courts and no more; and the said Registrar should twice in every year, that is, on the First day of March and on the Twenty-second day of October, or on the First day after those days on which their respective Courts should be sitting, exhibit and deliver in open Court, a true and perfect Schedule of all sums of Money, Bonds or other Securities received on account of each Estate remaining under their charge, together with the payments made thereout and the balances; and also of all Administrations whereof the balances should have been paid over to the persons entitled to the same, since the period of exhibiting the last Schedule, specifying the amount of such balances, and the persons to whom paid, which should be filed of record in the said Courts, and should within fourteen days afterwards be published in the Gazette of the Presidencies within which such Courts are respectively situated by the

said Registrar, who should likewise cause copies thereof in triplicate to be delivered to the Chief Secretary of such Presidency, and the same should be transmitted by the respective Governors at such Presidencies to the Court of Directors of the East India Company, who upon the receipt thereof should cause the same to be published in the London Gazette: And whereas it is desirable to disconnect the Administration of such Estates from the Office of Ecclesiastical Registrar of the Supreme Court, and to provide for the Administration of such Estates by the Officer by this Act to be appointed for that purpose, and to extend to that Officer the provisions hereinbefore recited, and to make further provisions for the due Administration of such Estates, It is enacted as follows:

I. All Letters of Administration or ad Colligenda bona granted to the Ecclesiastical Registrar of the Supreme Court, and all Probates granted to such Officer of Wills appointing the Ecclesiastical Registrar of the Supreme Court by that description or him and his successors Executors thereof, and all Estates, Effects and Interests, vested in the said Ecclesiastical Registrar by virtue thereof, and all books, papers and documents belonging to him or in his possession, or under his power or controul by virtue of such Letters or Probate, shall by virtue and operation of this Act, and without other grant be transferable and shall be forthwith transferred to the Administrator General by this Act created, who shall be to all intents and purposes such Administrator, Executor, or Grantee in his new character of Administrator General as the Ecclesiastical Registrar of the Supreme Court was, and shall have as such Administrator, Executor or Grantee all the same powers, as the said Ecclesiastical Registrar might exercise at the time of passing this Act as such Administrator, Executor or Grantee.

II The Ecclesiastical Registrar at the time of the passing of this Act shall be the first Administrator General, and shall upon the passing of this Act cease to be Ecclesiastical Registrar, and shall as such Administrator General be entitled to receive or retain all Commission to which he was entitled as Ecclesiastical Registrar at the time of the passing of this Act on any such grants as aforesaid.

IV. The Administrator General shall receive as the remuneration for the discharge of his duties as such Administrator General under all such grants of Letters as aforesaid made after the passing of this Act, or on Probates of Wills so granted after the passing of this Act wherein he is named Executor by virtue of his Office a Commission of three Rupees in the Hundred on each Estate instead of the five per cent. Parties applying to use Rum duty-free for the purpose above-mentioned, must tender, as deposit, the amount of the consolidated Abkarry duty of Eight Annas a Gallon upon the quantity of Rum intended to be so used, or enter into a Bond, by which such payment shall be secured to Government, in the event of the Rum not being used as intended.

Fort William, Home Department, Legislative, the 6th May, 1848.

The following Draft of a proposed Act was read in Council for the first time on the 6th of May, 1848.

ACT No. —— of 1848.

An Act for the appointment of an Administrator General of unrepresented Estates in Bengal and for the regulation of that Office, and for the regulation of the Offices of the Supreme Court of Judicature at Fort William in Bengal.

Whereas by an Act of Parliament passed in a Session holden in the 39th and 40th years of the reign of King George the 3d, entitled "An Act for establishing further Regulations for the Government of the British Territories in India, and for the better Administration of Justice within the same," it was amongst other things provided that from and after the First day of March in the year of Our Lord One Thousand Eight Hundred and One, whenever any British Subject should die intestate within either of the Presidencies of Fort William, Fort St. George or Bombay respectively, or the Territories subordinate to either of the said Presidencies, or to become subordinate thereto, and on the return of the citation issued from the proper Ecclesiastical Court, no next of Kin or Creditor should appear and make out their claim to the Administration of the Effects of the intestate deceased to the satisfaction of the said Court, it should and might be lawful for the Registrar of such Court respectively, and he was thereby required to apply for, and such Court was thereby required and directed to grant such Letters ad Colligenda, or of Administration, as to such Court should seem meet, by virtue whereof such Registrar should collect the assets of the deceased, and should bring them for safe custody into such Court, and account for them regularly in like manner as was then by Law provided in cases where assets were in the hands of any Officer of the Court under or by virtue of the Equitable jurisdiction of any such Court: And whereas by a certain other Act of Parliament passed in the 55th year of the same reign, entitled "An Act to amend so much of an Act of the 39th year of His present Majesty as relates to fixing the limits of the Towns of Calcutta, Madras and Bombay; and also so much of an Act of the 39th and 40th year of His present Majesty as relates to the granting of Letters of Administration to the Effects of persons dying intestate within the several Presidencies in the East Indies to the Registrar of the Ecclesiastical Courts: and to enable the Governor and Council of the said Presidencies to remove persons not being British Subjects and to make provisions for the Judges in the East Indies in certain cases," it was amongst other things provided that in all cases in which the said Registrar should obtain a grant of Letters of Administration or ad Colligenda bona under the provisions of the Acts enabling and requiring him to apply for the same the said Registrar should enter into a book to be kept by him for that purpose separate and distinct accounts of each Estate, and of all such sums of Money, Bonds and other Securities for Money, Goods, Effects and things, as should come to his hands or to the hands of any persons employed by him, or in trust for him, by virtue of any Letters ad Colligenda, or of Administration granted to him under the authority of the said Act, and likewise of all payments made by him for and on account of the said Estates, and of all debts due by or to the same, specifying the dates of such receipts and payments respectively which said book should be kept in the Registrar's Office, and should be open for the inspection of all such persons practitioners in the said Courts and others as might have occasion to inspect the same, at office hours, paying such reasonable fee as might be fixed therefore by the said Courts and no more; and the said Registrar should twice in every year, that is, on the First day of March and on the Twenty-second day of October, or on the First day after those days on which their respective Courts should be sitting, exhibit and deliver in open Court, a true and perfect Schedule of all sums of Money, Bonds or other Securities received on account of each Estate remaining under their charge, together with the payments made thereout and the balances; and also of all Administrations whereof the balances should have been paid over to the persons entitled to the same, since the period of exhibiting the last Schedule, specifying the amount of such balances, and the persons to whom paid, which should be filed of record in the said Courts, and should within fourteen days afterwards be published in the Gazette of the Presidencies within which such Courts are respectively situated by the

said Registrar, who should likewise cause copies thereof in triplicate to be delivered to the Chief Secretary of such Presidency, and the same should be transmitted by the respective Governors at such Presidencies to the Court of Directors of the East India Company, who upon the receipt thereof should cause the same to be published in the London Gazette: And whereas it is desirable to disconnect the Administration of such Estates from the Office of Ecclesiastical Registrar of the Supreme Court, and to provide for the Administration of such Estates by the Officer by this Act to be appointed for that purpose, and to extend to that Officer the provisions hereinbefore recited, and to make further provisions for the due Administration of such Estates, It is enacted as follows:

GENERAL POST OFFICE, 21ST MARCH, 1848.

SIR,—I am directed by the Post Master General to acquaint you that the Lords Commissioners of the Admiralty have given notice to the Peninsular and Oriental Steam Navigation Company, that they will terminate after the month of May next the agreement entered into with them in May 1845, for the conveyance of Her Majesty's Mails on the 3d of each month, from Southampton to Alexandria and back, and that their Lordships will not therefore require the Company to convey the Bombay Mail from Southampton to Alexandria on the 3d June next, nor from Alexandria to Southampton at the end of that month.

The Post Master General requests, that you will have the goodness to give this alteration of the Mail Service early publicity.

I am, &c.,

(Sd.) W. MABERLY.

To the Post Master General, &c. &c. &c., Calcutta.

W. BRACKEN, *Collector of Govt. Customs.*

Calcutta, 19th May, 1848.

The Collector has no objection to pass Packages, which are intended for private use, and not for Sale unopened-provided, that at the time they are applied for, satisfactory proof of their contents in the shape of Invoices, Bills, or Letters of Advice are produced. In the absence of these documents, owners should depute a person to be present at the opening of their Packages.

The Collector has nothing to do with the landing of Packages from Ships, nor with forwarding them to their owners or destinations.

NOTICE.—With reference to the notice issued from this office on the 18th May 1846, relative to the remission of Excise Duty on Rum, used in the manufacture of Sugar and Molasses intended for Exportation, it is hereby notified, that licences for the use of Rum in Sugar Factories will, on application, be granted in future by the Abkarry Superintendents, and not by the Secretary to the Board as heretofore.

Parties applying to use Rum duty-free for the purpose above-mentioned, must tender, as deposit, the amount of the consolidated Abkarry duty of Eight Annas a Gallon upon the quantity of Rum intended to be so used, or enter into a Bond, by which such payment shall be secured to Government, in the event of the Rum not being used as intended.

If a Bond be executed, a Member of some established house of business in Calcutta, must be one of the parties bound, and the parties must be jointly and severally answerable for any amount which may ultimately fall due under the Bond.

A Form of the Bond, the period of the currency of which is not in the first instance to exceed Six Months, will be furnished on application by the Abkarry Superintendent, within whose jurisdiction the Distillery or Sugar Factory may be situated, and the Bond shall be renewable for a further period not exceeding Six Months, if the Rum covered by it be not consumed—all Rum left unconsumed at the end of a Twelve Month will be liable to duty.

For any further quantity of Rum required, a new Bond must be executed.

An Establishment consisting of one Darogah and two Chuprassies will be maintained by Government at each Sugar Factory, where permis-

sion may be given to use Rum duty-free, and the cost of the same amounting as shewn in the margin, to Company's Rupees 34 per mensem, will be borne by the Owner or Agent of the Sugar Factory, and paid regularly on the 1st of each month to the Abkarry Superintendent.

Darogah, ...	24
2 Chuprassies, @ 5 each, ...	10
Co.'s Rs.	34

In Rum Distilleries to which Sugar Factories are attached, no extra establishment will be required, provided the Sugar Factory is within the Distillery Walls.

The use of Rum on which duty has not been paid, in refining Sugar and Molasses, in anticipation of the execution of a Bond, or before the required Cash deposit has been made, will in no case be permitted.

By order of the Board of Customs, Salt and Opium, the 9th May, 1848,

CECIL BEADON, *Offg. Secretary.*

No. 191 *of* 1848.—Many instances of irregular and unauthorized payments, on the part of Committees of Adjustment on the Estates of deceased Officers, having recently occurred, The Right Hon'ble the Governor General in Council is pleased to direct the republication of the General Order No. 110, of the 5th May 1841, and to intimate to the Army that Officers composing such Committees will in future be held personally responsible for all Disbursements made by them at variance with the instructions therein laid down for their guidance.

Circular, Military Department, 26*th August* 1831.

Immediately upon the decease of an Officer present with his Regiment, the Major of the Regiment, or the Officer who may be second in Command at the time with the Regiment, having secured the Effects or Equipage of the deceased, a Committee of Adjustment shall be assembled without delay, whose duty it will be, in all cases, to search for a Will, to make an Inventory of Effects, and an Account of the Debts and Credits, and, in all practicable cases, to settle the Regimental Debts of the deceased.

The Inventory, together with the Accounts of Debts and Credits, and any sum which may remain after satisfying the Regimental Debts, will be transmitted by the Committee, through the Officer Commanding the Regiment, to the Military Secretary to Government, to be by him paid to the Executor or legal Representative of the deceased.

In all cases where a Will is not found; or when a Will is found, and the Estate is not solvent; or when no Executor is appointed; or when the Executor named in the Will is at too great a distance to be communicated with within one month; it will be the duty of the Committee to cause the Live Stock and other property of the Estate to be sold by Public Auction without delay; but in the event of the Executor being on the spot or within the distance above indicated,—the Estate appearing to be solvent,—the Committee will communicate with him, and reserve or dispose of the Live Stock and other property of the Estate as he may desire; the proceeds of sale and the property reserved being subject, however, to the Orders of the Military Secretary to Government, without whose authority no Effects, or Proceeds or surplus of Effects, are to be made over to the Executor.

The Committee will, in all cases, draw the Arrears of Pay, &c. which may be due to the deceased, and Accounts of Estates are not to be closed until such Pay, &c. shall have been received. To relieve the Committee however from the charge and responsibility of keeping proceeds of Estates in their hands, pending the close of Accounts, remittances on account are to be made to the Military Secretary to Government.

To avoid delay in adjusting the Arrears of Pay due to Officers deceased, it will be the duty of the Military Auditor General, immediately on receiving notice from the Military Secretary to Government, or other certain information, of the decease of an Officer, to cause all Bills in his Office connected with the deceased in any way to be examined and checked, in order to their early settlement.

The Committee will record and sign their Proceedings, entering, with all other necessary particulars, the date, places, and object of their assembly, as well as the names of the Convening Officer, and of the President and Members.

When any delay appears likely to occur in bringing the proceedings to a close, a special report of the circumstance is to be made to the Military Secretary to Government, by the Committee, with a statement of the progress made up to the date of such report.

All Proceedings and Papers connected with Estates transmitted to the Military Secretary to Government, and all references for instructions made to him, are to be forwarded through the Convening Officer, who is considered responsible for the regularity of the procedure of the Committee. All correspondence with the Register of the Supreme Court, relative to his taking out Administration to Estates, is restricted to the military department; and Committees of Adjustment will neither communicate their proceedings direct to the Registrar, nor will they make remittances on account of Estates direct to the General Treasury, but only through the Military Secretary to Government.

In the case of the demise of an officer possessed of instruments, field Books or maps, or other articles, the property of government, it will be the duty of the committee of adjustment to report specially upon such public property to the convening officer, who will be held responsible that the same be not sold with the private effects of the deceased, and that proper measures be taken for its safe custody. A copy of such special report will be inserted in the proceedings of the committee

With reference to Section XLIX. of the Mutiny Act, it is hereby notified that all sums due to the Military Orphan Fund, the Military Fund, the Medical Fund, are of the nature of Regimental Debts; but claims or demands of the undermentioned descriptions are not Regimental Debts, and therefore will not be settled by Committees of Adjustment:

Bills of Tradesmen of every class, without exception.

Private Accounts of Agents, Merchants, Shop-keepers, Money-lenders, and Dealers.

Claims for Money borrowed, for the purpose of building or purchasing Quarters, to distinguish it from Money due for the hire of quarters, or for their purchase from the former proprietor, which is a Regimental Debt.

Mess Bills for any period in arrears beyond the month in which an Officer dies and the immediately preceding month.

Bills for Liquors supplied from the Mess Stores to *unmarried* Officers separate from their charges at Mess.

Bills on account of Subscriptions to Regimental Bands, Book Clubs, and similar private institutions.

When an Officer separated from his Regiment by employment on the General Staff, or by having obtained leave of absence, or by any other circumstance, or an Officer of the Invalid Establishment, shall die at any station, it will be the duty of the Officer Commanding at such Station to order a Committee of Adjustment to assemble without delay, consisting of a President, being either an Officer not under the rank of Major or the next Senior Officer available at the Station, and of two Members, who shall, in all practicable cases, be Officers of eight years' standing in the Service; and such Committee shall proceed in every particular in the mode laid down in the foregoing rules for the guidance of Regimental Committees of Adjustment. In the case, however, of an Officer temporarily detached from his Regiment, dying at a Station other than that to which he properly belongs, it will likewise be the duty of the Officer Commanding the Regiment, on receiving intimation of his decease, to convene a Regimental Committee in the usual manner; and in such a case, the Regimental Committee, and not that assembled where the individual died, will draw the Arrears of Pay; and the proceedings of the latter Committee will be forwarded to the Officer Commanding the Regiment to which the deceased belonged, in order to their communication to the Regimental Committee of Adjustment, and to their transmission simultaneously with the proceedings of the Regimental Committee to the Military Secretary to Government.

Officers Commanding at Stations where detached Officers die, will consider all the foregoing rules relating to the duties and responsibilities of Regimental Commanding Officers, to be equally applicable to themselves.

On the decease of Warrant Officers, and of Non-Commissioned Officers and Soldiers in detached employ, Committees of Adjustment, composed of three Commissioned Officers, will be assembled by Order of the Officer Commanding at the station, and will proceed in the mode hereinbefore prescribed.

It is the duty of the Town Major to convene Committees of Adjustment on the Effects of Officers dying at the Presidency: such Committees to consist of any three Officers who may be available, the President being not under the rank of Major, and the Members of at least Eight years' standing in the Service. The proceedings of such Committees will be forwarded direct to the Military Secretary to Government, to whom application is to be made, when necessary, for instructions.

Such parts of the foregoing rules as are applicable to the cases of Soldiers dying in the Service, and are in conformity with the Mutiny Act and Articles of War relating thereto, are hereby extended to such cases.

The Government General Orders No. 260, dated 7th December 1827, prescribing rules for the guidance of the Sub-Treasurer, in regard to Deposits in the General Treasury, is hereby declared to be in full force."

No. 195 *of* 1848.—The Right Honorable the Governor General in Council is pleased to publish for general information, the following para. of a Military Letter from the Honorable the Court of Directors to the Governor of the Presidency of Fort William in Bengal, No. 23, dated the 21st March 1848.

Letter dated 6th November 1847, *No.* 179.
Certain questions relating to the Grant of Wound Gratuities to Native Officers.

Para. 21. It was understood by us that the Grant in General Order of 13th August 1838 of Wound Pensions and Allowances to Native Commissioned Officers to be governed strictly by the rules applicable to European Officers as published in General Order of 3d June 1831, included Gratuities for such Native Officers as had been seriously wounded, but not to such an extent as to entitle them to Pensions. The Gratuities equal to one year's pay of their Regimental rank granted by you in the year 1846 to two Native Commissioned Officers who were severely wounded in the battle of Sobraon, were accordingly approved by us as having been made in conformity with the Regulations of tne Service. A similar course will be taken by us in any future cases of a like nature. The Donations are to be always reckoned as so many months of Regimental Pay according to the nature and extent of the injury sustained.

Military Letter dated 15th September 1847, *No.* 103, *para.* 37.

No. 196 *of* 1848.—The following paragraphs of a Military Letter, No. 8, from the Hon'ble the Court of Directors, to the Governor General of India in Council, under date the 1st April 1846, and Her Majesty's Warrant therein referred to, are published for general information:

Para. 1. "We transmit, herewith, Copy of a Circular letter, No. 958, issued by the Secretary at War, with its accompanying Copy of the Royal Warrant, dated 19th December 1845, granting rewards, for Meritorious Service, and for Good Conduct of Non-Commissioned Officers, and Soldiers of Her Majesty's Army.

Para. 2. You will cause to be introduced into the Regulations, for the European Troops, in the Company's Service, such of the Provisions of this Warrant, as extend or modify the rules of previous Good Conduct Warrants, which have been already made applicable to Non-Commissioned Officers, and Privates, of those Troops. The numbers of the Articles in the Warrant, which come under this description, are specified in the margin.

12 to 21, 25, 27, and 30, and 33, 38, to 40, and 42.

Para. 3. Certain additional advantages have been granted by this Warrant, which we are desirous should also be granted, to our European Troops; they are, 1st, by Articles 2 to 4, special grants, accompanied by Medals to Serjeants, as rewards for distinguished or Meritorious Service: The number of Serjeants eligible to receive these benefits, in the Company's Service, to be restricted to numbers proportionate to those allowed in Her Majesty's Service. 2dly. By Articles 5 to 11, Gratuities and Medals, to certain Non-Commissioned Officers, and Privates on discharge; and 3dly. By Article 28 permission to purchase discharges, or to obtain discharges, granted at diminished periods of service, in favor of men who have obtained one or more distinguishing marks, for Good Conduct. The rates of purchase in the Company's Service to remain as at present."

With reference to the above, the Right Hon'ble the Governor General in Council is pleased to issue the following rules, extending the provisions of Her Majesty's Warrant, of the 19th December 1845, to the Hon'ble Company's Troops, as far as the same can be considered applicable to Indian Service.

1. A sum of money, the extent of which will be hereafter announced, is to be distributed, for the purpose of granting Annuities, as rewards for distinguished or Meritorious Service, to Serjeants who are now, or who may be hereafter in the Hon'ble Company's Service; either while serving, or after discharge, with, or without Pension, in sums not exceeding £20, which may be held during service, and together with Pension.

9. If circumstances should prevent the discharged Soldier, from receiving the Medal at the Regiment, it will be delivered to him through the Adjutant General of the Army.

10. These Gratuities will be paid under the directions of the Governor General in Council, to whom the Commander in Chief will notify the individuals, selected previously to their discharge; the names, and services of the individuals, receiving the Gratuity, shall be published in Regimental Orders.

REWARDS FOR MERITORIOUS SERVICE, AND FOR GOOD CONDUCT OF NON-COMMISSIONED OFFICERS AND SOLDIERS.

Dated 19th December 1845.

VICTORIA R.—We deem it expedient to afford a greater encouragement to the Non-Commissioned Officers and Soldiers of Our Army who may have distinguished themselves, or who may have given good, faithful, and efficient service.

With the view, therefore, of rewarding distinguished or meritorious service, and of promoting good conduct in Our Army, Our will and pleasure is,

1. That, whenever We shall sanction the grant of a Commission without purchase to a Non-Commissioned Officer, selected and recommended for this distinction by Our Commander-in-Chief, there shall be granted to such Non-Commissioned Officer, in aid of an outfit as a Commissioned Officer, a sum of £150, if appointed to a Cavalry Regiment; and of £100, if appointed to an Infantry Regiment.

2. It is Our further will and pleasure, that a sum not exceeding £2000 a year be distributed, for the purpose of granting Annuities, as rewards for distinguished or meritorious service, to Serjeants who are now, or who may be hereafter in the Service, either while serving or after discharge with or without pension, in sums not exceeding £20, which may be held during service and together with pension.

3. The Serjeants selected for this honorary distinction, to be entitled to receive and wear a Silver Medal, having on one side Our effigy, and on the other, the words "For Meritorious Service," and the name and Regiment of the Serjeant, with the date of its grant.

4. It shall rest with Our Commander-in-Chief, to select the individuals whom he may recommend to us for this honourable mark of Our approbation.

5. With the view of further rewarding meritorious Soldiers when discharged,, and of encouraging good conduct in others while serving, We are pleased to alter the Warrants of Our late Royal Uncles, dated the 14th November, 1829, and 7th February, 1833, and to direct, that a Gratuity in addition to the ordinary Pension may be granted upon discharge to certain men, who shall have served 21 years in the Infantry, or 24 years in the Cavalry.

	£	s.	d
The Gratuity to a Serjeant who shall have served 10 years as such, shall be, - - - - - - - - - - - - -	15	0	0
To a Corporal who shall have served seven years as such, -	10	0	0
To a Private, -	5	0	0

6. The Commanding Officer of every regiment may annually recommend such individuals while serving, as he shall consider will be best entitled to this Gratuity when discharged, provided the amount recommended in any one year does not exceed £30 for a regiment of an establishment of 700 rank and file and upwards, and £20 for a regiment of a lower establishment than 700 rank and file.

7. The men to be recommended, must have completed 21 years of actual service in the Infantry, and 24 years of actual service in the Cavalry;—have never been convicted by a Court-Martial, and must have borne an irreproachable character;—or, if not coming strictly within these latter conditions, must have particularly distinguished themselves by gallantry and zeal in Our Service.

8. Soldiers recommended to receive upon their discharge the Gratuity for good conduct, shall, upon being approved by the Commander-in-Chief, be entitled to wear a silver Medal, having on one side the words, "For Long Service and Good Conduct," and on the other side in relief, the Royal Arms, with the name and rank of the Soldier. This Medal will be delivered to the Soldier on parade by the Commanding Officer of the regiment, and shall be worn by him during the remainder of his service.

9. The year of the Soldier's discharge shall also be inscribed on the Medal which will be returned to him with the parchment Certificate of Discharge, on which the grant will be recorded, as well as in the Regimental Orders, and in the record of Soldiers' Services,

10. If circumstances should prevent the discharged Soldier from receiving the Medal at the regiment, it will be delivered to him through the Adjutant-General at the Board of the Commissioners of Chelsea Hospital.

11. These Gratuities will be paid under the directions of the Secretary at War, to whom the Commander-in-Chief will notify the individuals selected previously to their discharge; the names and services of the individuals receiving the Gratuity, shall be published in the Regimental Orders, and the Secretary at War will notify them to the parishes to which the men belong.

12. Whereas it has been represented to Us, that it would materially tend to the encouragement of good conduct in the Army, if the reward to the well-conducted soldier were attainable after shorter periods of service than those stipulated by Our Warrant of the 9th May, 1839; Our will and pleasure is, that all Corporals, Trumpeters, Drummers, Fifers, Buglers, and Private Soldiers, enlisted or re-enlisted into Our Service on or after the 1st day of September 1836, shall have no claim to additional pay after any period of service, but that a reward of additional pay for good conduct shall be granted to such Soldiers under the following Rules, which shall take effect from and after the 1st of January, 1846:—

13. Soldiers who shall have completed five years' service shall be entitled to claim 1*d.* a day, and to wear a distinguishing mark, provided their names shall not have been entered in the Regimental Defaulters' Book for at least two years immediately preceding such claim.

14. Soldiers who shall have completed 10 years' service shall be entitled to claim a further reward of 1*d.* a day, and to wear two distinguishing marks, provided they shall have been uninterruptedly in the enjoyment of the 1*d.* a day for at least two years immediately preceding such further claim.

15. Soldiers who shall have completed 15 years' service shall be entitled to claim a further reward of 1*d.* a day, and to wear three distinguishing marks, provided they shall have been uninterruptedly in the enjoyment of the 2*d.* a day for two years immediately preceding their claim to the third penny.

16. Soldiers who shall have completed 20 years' service shall be entitled to claim a further reward of 1*d.* a day, and to wear four distinguishing marks, provided they shall have been uninterruptedly in the enjoyment of the 3*d.* a day for two years immediately preceding their claim to the fourth penny,

17. Soldiers who shall have completed 25 years' service, shall be entitled to claim a further reward of 1*d.* a day, and to wear five distinguishing marks, provided they shall have been uninterruptedly in the enjoyment of the 4*d.* a day for two years immediately preceding their claim to the fifth penny.

18. Soldiers who shall have completed 30 years' service, shall be entitled to claim a further reward of 1*d.* a day, and to wear six distinguishing marks, provided they shall have been uninterruptedly in the enjoyment of the 5*d.* a day for two years immediately preceding their claim to the sixth penny.

19. As a further reward of continuous good conduct, soldiers who shall have completed 18 years' service, without having their names entered in the Regimental Defaulters' Book for the last 16 years, shall be allowed the advantage of the good-conduct reward hereby granted after 20, 25, and 30 years' of actual service, two years earlier, that is to say after 18, 23, and 28 years' actual service.

20. The service to entitle soldiers to the rewards granted by this Warrant after each period of five years, must be service in the ranks, continually under the vigilant eye of discipline in the execution of the ordinary duties of a soldier in barracks or in quarters.

21. Those soldiers, who accept employments which by keeping them more out of the control of discipline, expose them to a less chance of being recorded in the Regimental Defaulters' Book, and give them greater facilities of acquiring and retaining the reward for good conduct, can only be allowed to receive good-conduct pay, and the honourable distinctions, and addition to pension on discharge, after the periods of service prescribed in Our Warrant of the 9th May, 1839, except with the special sanction of our Secretary at War.

22. Soldiers, who by their good-conduct shall have obtained one or more distinguishing marks, shall be entitled to have the full rate of that good-conduct pay of which they shall have been in uninterrupted possession for three years immediately preceding their discharge, added to the rate of pension, whether temporary or permanent, to which they may have a right under the provisions of the Warrant of Our late Royal Uncle, dated the 7th February, 1833.

23. Soldiers who have been in the possession of some one or other of the rates of good-conduct pay for four years uninterruptedly, but who have only been in possession of either of the higher rates for some period not less than two years immediately preceding their discharge, shall be entitled, if discharged with two distinguishing marks, to an addition of 1½*d.*; if discharged with three distinguishing marks, to an addition of 2½*d.*; if discharged with four distinguishing marks, to an addition of 3½*d.*; if discharged with five distinguishing marks, to an addition of 4½*d.*; and if discharged with six distinguishing marks, to an addition of 5½*d.*; as an augmentation of the pension to which their services will entitle them under the warrant of the 7th February, 1833.

24. Soldiers who shall have been in the uninterrupted possession of good-conduct pay for at least three years immediately preceding their discharge for disability, or by reduction, and who shall not have acquired claims to pension, or who shall be entitled only to temporary or conditional pensions, shall have their names registered at Chelsea Hospital; and upon their attaining 60 years of age shall receive, as a reward for their former good-conduct, a pension of 4*d.* a day if discharged with one distinguishing mark, and of 5*d.* a day if discharged after having been twelve months in possession of two distinguishing marks; and of 6*d.* a day if discharged in possession of three distinguishing marks; and this reward for former good conduct shall also be extended to soldiers who may be permitted to obtain free discharge at their own request, as an indulgence, after certain periods of service, as described in the 28th Article of this Warrant. Those Soldiers now in our service, who accept the employments referred to in the 21st Article of this Warrant, shall have their names registered at Chelsea, under the conditions of the Warrant of the 9th of May, 1839; but all men enlisted after the date of this Warrant, who may accept such employments, shall only be allowed to register for a deferred pension of 4*d.* a day, if discharged with one distinguishing mark; of 5*d.* a day, if discharged after having been in possession of two distinguishing marks for twelve months, and of 6*d.* a day, after having been for two years in possession of two distinguishing marks.

25. The service requisite to entitle men to the distinction and rewards granted by this Warrant may include former service in all ranks after the age of eighteen.

26. Men discharged on reduction, or for disability, and re-enlisting within three years after the date of their discharge may reckon their former service, provided they shall declare such former service at the time of re-enlistment; but men purchasing their discharges, or receiving free discharges, shall not reckon former service.

27. The forfeiture of service now attaching to individuals in respect of additional pay, in consequence of the sentence of a Court-Martial, or of conviction for desertion, will equally attach to them in respect of good-conduct pay.

28. Soldiers of good conduct, who may be permitted to purchase or to obtain free discharges at their own request, shall be allowed free discharges upon the following terms, instead of those prescribed by the Royal Warrant of the 14th November, 1829 and by His late Majesty's Warrant of the 7th February, 1833; but the conditions, limitations, and regulations, for granting discharges by indulgence, laid down in the said Warrants, shall, in the cases of all other soldiers, remain in full force.

After 16 years' service, with one distinguishing mark		
After 15 years' actual service, with three distinguishing marks, or, ...	Free, with the right of registry for deferred pension of 6*d.* a day.	
After 16 years' actual service, with two distinguishing marks, having possessed the second at least 12 months		

29. Soldiers enlisting since the 1st March, 1833, who are in the enjoyment of two or more distinguishing marks, and of the good-conduct pay, may obtain permanent pension as an indulgence, at the rate fixed in the Warrant of 7th February, 1833, two years earlier than other men who have not earned this distinction, and may further receive the same amount of good-conduct pay which would have been added to their ordinary pension, under the rules laid down in this Warrant, if they had been discharged as unfit for further service or by reduction.

30. As it is Our will and pleasure that this reward shall be strictly an honourable distinction to be conferred only upon the well-conducted soldier, the Commanding Officers of Regiments are strictly enjoined to enter in the Regimental Defaulters' Book the name of every soldier who, in consequence of misconduct, shall have been subjected to any punishment beyond six days' drill, or seven days' confinement to barracks, and the commission of every offence, which shall impose upon the Commanding Officer the necessity of recording the soldier's name in the Regimental Defaulters' Book, shall render the man ineligible for this reward for two years from that date, and, if he be already in possession of this distinction, shall deprive him of his distinguishing mark and good-conduct pay for one year; and a second recorded offence within twelve months shall render two years of uninterrupted good conduct necessary to obtain a restoration of such reward.

31. The Soldier having two or more distinguishing marks shall, in like manner, forfeit one of such marks, and the good-conduct pay allowed with it, for one year for each offence; and if he shall forfeit all his distinguishing marks and good-conduct pay, and before restoration of any one shall be recorded for a fresh offence, he shall forfeit all claim in consequence of his previous good conduct, and shall only be entitled to obtain a restoration of his honourable distinctions by subsequently serving, with uninterrupted good conduct, for two years to obtain one distinguishing mark, for four years to obtain two distinguishing marks, for six years to obtain three distinguishing marks, for eight years to obtain four distinguishing marks, for ten years to obtain five distinguishing marks, and for twelve years to obtain six distinguishing marks.

32. Any Soldier who, by having been recorded in the Regimental Defaulters' Book, shall have been adjudged to have been guilty of an offence by which he is to forfeit the whole or a part of his reward for previous good conduct, shall, if he denies the commission of such offence, have the right of appeal to a Court-Martial.

33. A Soldier may, for a first offence of a serious nature, be adjudged, by the sentence of a Court-Martial, to forfeit all or any part of the advantages he had derived from his previous good conduct, either absolutely or for any period not less than eighteen months, according to the circumstances which shall have appeared in evidence.

34. The distinction and the rewards for good conduct, granted by this Warrant do not extend to Serjeants and other Non-commissioned Officers above the rank of Corporal, and they will not be allowed, while serving, any addition to their established pay, but if permitted to purchase their discharges, or to obtain free discharges at their own request, they will be admitted to the benefits of Article 28th of this Warrant; and if discharged to pension, they may, for peculiarly good conduct, on the special recommendation of Our General Commanding-in-Chief, and by the consent of Our Secretary at War, communicated to the Commissioners of Chelsea Hospital, be allowed additions of 1*d*., 2*d*., 3*d*., 4*d*., 5*d*., or 6*d*., a day to their pensions; provided that the aggregate pension shall in no case exceed, for a Serjeant, 1*s*. 10*d*., for a Quarter-Master-Serjeant, 2*s*. 1*d*., and for a Serjeant-Major, 2*s*. 4*d*. a day.

35. All Soldiers now in Our Service, who enlisted since the 1st March, 1833, but before 1st September, 1836, shall have the option of relinquishing all right to the additional pay of 2*d*. a day to which they are now entitled after the completion of 14 years' Infantry, or of 17 years' Cavalry service, and shall then be entitled, by their good conduct, to all the advantage both of good-conduct pay while serving, of pension on discharge, and of deferred pension, which are hereinbefore granted to Soldiers enlisted on or after 1st September, 1836.

36. All Soldiers now serving, who enlisted on or before the 1st March, 1833, shall, by relinquishing their right to additional pay for length of service, be entitled to claim all the advantages of good-conduct pay while serving, which are hereby granted; but as the Warrants which were in force at the time of their original enlistment give them a right to higher rates of pension on discharge than those which are to be granted to men enlisted after the 1st March, 1833, they will not be entitled to have their good-conduct pay added to their pensions on discharge.

37. In special cases, however, of men enlisted on or before the 1st March, 1833, who, by their good-conduct, have obtained one or more distinguishing marks, and who, after short service, may be discharged for disabilities, or by reduction, either without pension or with temporary, or conditional, or permanent pensions, (not exceeding those granted for similar disabilities and services under the Warrant of the 7th February, 1833,) the good-conduct pay may, by the consent of Our Secretary at War be added to their pensions; and such men, if not placed upon permanent pensions, may be registered at Chelsea for the deferred pension, under the same Rules as the men enlisted after the 1st March, 1833.

38. All Soldiers now serving, who enlisted on or before the 1st September, 1836, and who have completed 20, 25, or 30 years' service, may, on relinquishing their right to additional pay, receive respectively 4*d*., 5*d*. or 6*d*. a day good-conduct pay, provided their names shall not have been entered in the Regimental Defaulters' Book immediately preceding the exchange, for the several periods prescribed by this Warrant.

39. Soldiers who have completed 15 years' service may, on relinquishing their right to additional pay, receive 3*d*. per diem good-conduct pay, provided their names shall not have been entered in the Regimental Defaulters' Book for at least *six* years immediately preceding the exchange.

40. Soldiers of less than 15 years' service, already in the receipt of additional pay, at 2*d*. a day, for length of service, may, on relinquishing their right to additional pay, continue to receive the same amount as good-conduct pay, provided their names shall not have been entered in the Regimental Defaulters' Book for at least *four* years immediately preceding the exchange.

41. Soldiers who are already in the receipt of additional pay of 1*d*. a day for length of service, may, on relinquishing their right to additional pay, continue to receive the same amount as good-conduct pay, provided their names shall not have been entered in the Regimental Defaulters' Book for at least *two* years immediately preceding the exchange.

42. Soldiers not yet in the receipt of additional pay for length of service, may, by relinquishing their right to the same, receive good conduct-pay, on completing the respective periods of 5, 10, 15, 20, 25, and 30 years, provided their names shall not have been entered in the Regimental Defaulters' Book—in the first case, for at least *two* years; in the second case for at least *four* years; in the third case, for at least *six* years; in the fourth case, for at least *eight* years; in the fifth case, for at least *ten* years; and in the last case, for at least *twelve* years, immediately preceding.

43. In establishing their claims to the good-conduct pay, soldiers who were present at the Battle of Waterloo, shall be allowed to reckon two years in addition to their actual service, and those who were enlisted before the 1st December, 1829, shall be allowed to reckon three years for two of actual service, after the age of 18, in the East and West Indies (in other than West India regiments), but in claiming their discharge under the 28th Article, actual service only will be reckoned.

44. Soldiers enlisted before the 1st September, 1836, shall be entitled to distinguishing marks, whether they accept or not the option of relinquishing additional pay for good-conduct pay, and they shall be entitled to the same addition to their pensions for the number of distinguishing marks they may severally possess at the period of their discharge, as is allowed to men in receipt of good-conduct pay.

Given at Our Court at Windsor, this 19th day of December, 1845, in the ninth year of our Reign.

By Her Majesty's Command,
SIDNEY HERBERT.

ACT No. XI. OF 1848.

An Act for the punishment of wandering gangs of Thieves and Robbers.

Whereas it is expedient to extend some of the Provisions of the Law for the conviction of Thugs and Dacoits to other gangs of Thieves and Robbers, It is enacted as follows:

I. II. Any person accused of the offence of belonging to any such gang as aforesaid, or of the offence of unlawfully and knowingly receiving or buying property stolen or plundered by any such gang, may be committed by any Magistrate within the Territories of the East India Company, and may be tried by any Court which would have been competent to try him if his offence had been committed within the Zillah where that Court sits.

The following Act passed by the Governor General of India in Council on the 27th of May 1848, is hereby promulgated for general information.

ACT No. XII. OF 1848.

An Act for better defining the jurisdiction of the Calcutta Court of Commissioners for the Recovery of Small Debts.

Whereas the jurisdiction of the Court of Commissioners for the Recovery of Small Debts in and for the Settlement of Fort William in Bengal, hath been exercised under colour of a Proclamation made by the Vice President of the Presidency of Fort William in Bengal in Council, with the approval of the Governor General of the said Presidency, bearing date the 18th day of March 1802, and of another Proclamation made by the Governor General of the said Presidency in Council, bearing date the 25th day of September 1813, and of another Proclamation made by the Governor General of the said Presidency in Council, bearing date the 29th day of October 1819: And whereas doubts have arisen as to the legality of the said last two Proclamations, and of all that has been done or may hereafter be done in pursuance thereof: And whereas doubts have also arisen whether the powers given to the Commissioners of the said Court by the first of the said Proclamations are by the terms of the said third Proclamation effectually extended to the matters over which jurisdiction is thereby declared to be given to the said Court of Commissioners, and it is expedient to remove such doubts: And whereas the Rules, Orders and Regulations for the direction of the process and practice of the said Court which have been established in and by the said Court have not been allowed, printed or published as directed by the said first Proclamation, and it is expedient to ratify and confirm the same notwithstanding such omission: And whereas the said Commissioners have been accustomed to sit separately and to form separate Courts sitting at the same time or at different times, and it is also expedient to establish as well prospectively as retrospectively the legality of that practice,— It is enacted as follows:

I. All proceedings heretofore had or hereafter to be had in pursuance of and in conformity with the said Proclamations, or any of them by the said Commissioners, or any person or persons acting under their authority shall be deemed to have been, and to be, valid in law to all intents and purposes whatever, and against all persons and bodies corporate whomsoever.

II. All the powers and authorities declared to be given to the said Commissioners by the said first Proclamation shall extend to and be exercised in respect of and shall be deemed to have heretofore extended to all matters which in and by the said several Proclamations, or any of

them, the said Commissioners were authorized to hear and determine.

III. All proceedings heretofore had by any Commissioner or Commissioners of the said Court whilst sitting apart from the others or other of them, or by any person or persons under his or their authority, shall be deemed to have been as valid in law to all intents, and against all persons and bodies corporate whomsoever, as if all the said Commissioners had been sitting together in the said Court of Requests, and such Commissioners may henceforth sit either altogether or apart, and may hold one Court or two or three separate Courts sitting at the same time or at different times in like manner as they have been heretofore accustomed to do.

IV. All rules, orders, forms of procedure and tables of fees now used or established in the said Court shall be deemed to be and to have been from the time of their being first used or established respectively, valid in law to all intents, notwithstanding the omission to procure the allowance by the Supreme Court of Judicature of such of the same as should have been so allowed, and notwithstanding the non-printing and non-publication of such of the same as should have been printed and published.

V. All summonses and other process issued by the said Commissioners, or any of them, whether issued before or after the passing of this Act, shall be deemed to be valid and effectual in the law on whatsoever day the same shall have been made returnable.

Fort William, Home Department, Legislative, the 20th May, 1848.

The following Draft of a proposed Act was read in Council for the first time on the 20th of May, 1848.

Act No. —— of 1848.

For better defining the Law as to revision of the sentences of Subordinate Criminal Courts.

Whereas it hath been doubted how far Section V. of Regulation IX. 1831 of the Bengal Code is repealed by Act XXXI. 1841, and it is expedient to remove such doubt, and to establish one rule of proceeding for the revision of the sentences of Subordinate Criminal Courts throughout the Presidencies of Bengal and Madras, It is enacted as follows:

I. So much of Section V. of Regulation IX. 1831, of the Bengal Code, as is now in force, and also Section XXXV. of Act VII. 1843, are repealed.

II. The several Courts of Nizamut Adawlut in the Presidency of Bengal and of Foujdaree Adawlut in the Presidency of Madras, in any case in which it shall appear to either of them upon a review of the Abstract Statements or Calendars of prisoners punished without reference, that the sentence passed is one which cannot lawfully be passed on a person convicted of the offence as stated in the Abstract Statement or Calendar, shall require the Judge of the Court in which the conviction was had to certify under his hand the offence of which the prisoner was convicted, and the sentence passed thereupon; and on the return of such Certificate the Court of Nizamut Adawlut or Foujdaree Adawlut, as the case may be, shall annul the sentence, if it could not be lawfully passed on a person convicted of such offence, and shall certify to the Court below the sentence or sentences which may lawfully be passed for such offence, and thereupon the Court below shall pass a new sentence according to Law, and shall amend the record in accordance therewith.

III. The said Courts of Nizamut Adawlut and Foujdaree Adawlut, in any case in which it shall appear to either of them, upon a review of the Abstract Statements or Calendars of prisoners punished without reference that the verdict or judgment was contrary to the evidence, or that the sentence was too severe, may, if they shall think fit, require the Judge of the Court in which the conviction was had to certify under his hand the offence of which the prisoner was convicted, and the sentence passed thereupon, with the evidence on which such conviction was had, and any observations which he may be desirous of making in explanation of the verdict, judgment or sentence; and thereupon the Court of Nizamut Adawlut or Foujdaree Adawlut, as the case may be, may annul such verdict, judgment and sentence, if the verdict or judgment shall appear to them contrary to the evidence, or mitigate the sentence, if it shall appear to them too severe, and in either case shall certify their proceedings to the Court in which the conviction was had, which shall thereupon make such orders as shall be conformable to the decision of the Court of Nizamut Adawlut, or Foujdaree Adawlut, and, if necessary, amend the record in accordance therewith.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council of India after the 20th day of August next.

G. A. Bushby,
Secy. to the Govt. of India.

Act No. —— of 1848.

An Act for substituting Stamp Duties instead of Institution Fees in the Courts of the District Moonsiffs in the Presidency of Madras, and for refunding Stamp Duties on Plaints in certain cases.

Whereas it is expedient to substitute Stamp Duties for Institution Fees in the Courts of the District Moonsiffs in the Presidency of Madras, and to authorize the return of the whole or part of the Stamp Duties paid on Plaints in all Civil Actions which are dismissed on application of the parties, It is enacted as follows:

I. Section XVI. and Clause 2, Section LVII. of Regulation VI. of 1816, and Sections IV. and V. of Regulation II. of 1834, of the Madras Code, shall be repealed from the first day of September in this year.

II. From and after the said first day of September, so much of Regulation XIII. 1816, and Section VII. of Regulation VII. 1818, of the Madras Code, as relates to the levying of Stamp Duties instead of Fees on the institution of Civil actions, shall be applicable to the Courts of District Moonsiffs in the Presidency of Madras.

III. Whenever a suit pending in any Civil Court within the Territories subject to the Pre-

sidency of Madras shall be dismissed on application of the parties, the plaintiff shall be entitled to claim from the Court a Certificate, stating the amount of Stamp Duty paid on the Plaint, with specification of the number and endorsement of the paper filed, and whether the suit was dismissed before or after the case was called up, or was on the list of causes ready for hearing.

IV. On presenting any such Certificate to the Collector of the District the plaintiff shall be entitled to receive back half of the said Stamp Duty, if the certificate purports that the suit was dismissed after the case was called up, or was on the list of causes ready for hearing, and if before, the whole of the said Stamp Duty. Provided always there be no exception taken to the paper or endorsement thereon.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council of India after the 20th day of August next.

OPIUM.—Notice is hereby given, that on Monday, the 12th June, 1848, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by Public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the provision of 1846-47, subject to the following Conditions, viz.—

Produce of Behar Agency, ...	Chests	1,830
Ditto of Benares ditto,.....	„	780
Total Chests,...		2,610

CONDITIONS OF SALE

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d —The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may, at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday,) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 14th June, 1848; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expenses whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 14th June, 1848, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts, or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 14th June, 1848, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday, the 27th of June, 1848, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale, on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain

a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William, in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake.

An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertized for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity abovementioned, the following quantities, more or less, of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:—

The following Act passed by the Governor General of India in Council on the 27th of May 1848, is hereby promulgated for general information.

ACT No. XII. OF 1848.

An Act for better defining the jurisdiction of the Calcutta Court of Commissioners for the Recovery of Small Debts.

Whereas the jurisdiction of the Court of Commissioners for the Recovery of Small Debts in and for the Settlement of Fort William in Bengal, hath been exercised under colour of a Proclamation made by the Vice President of the Presidency of Fort William in Bengal in Council, with the approval of the Governor General of the said Presidency, bearing date the 18th day of March 1802, and of another Proclamation made by the Governor General of the said Presidency in Council, bearing date the 25th day of September 1813, and of another Proclamation made by the Governor General of the said Presidency in Council, bearing date the 29th day of October 1819: And whereas doubts have arisen as to the legality of the said last two Proclamations, and of all that has been done or may hereafter be done in pursuance thereof: And whereas doubts have also arisen whether the powers given to the Commissioners of the said Court by the first of the said Proclamations are by the terms of the said third Proclamation effectually extended to the matters over which jurisdiction is thereby declared to be given to the said Court of Commissioners, and it is expedient to remove such doubts: And whereas the Rules, Orders and Regulations for the direction of the process and practice of the said Court which have been established in and by the said Court have not been allowed, printed or published as directed by the said first Proclamation, and it is expedient to ratify and confirm the same notwithstanding such omission; And whereas the said Commissioners have been accustomed to sit separately and to form separate Courts sitting at the same time or at different times, and it is also expedient to establish as well prospectively as retrospectively the legality of that practice,—It is enacted as follows:

I. All proceedings heretofore had or hereafter to be had in pursuance of and in conformity with the said Proclamations, or any of them by the said Commissioners, or any person or persons acting under their authority shall be deemed to have been, and to be, valid in law to all intents and purposes whatever, and against all persons and bodies corporate whomsoever.

II. All the powers and authorities declared to be given to the said Commissioners by the said first Proclamation shall extend to and be exercised in respect of and shall be deemed to have heretofore extended to all matters which in and by the said several Proclamations, or any of

them, the said Commissioners were authorized to hear and determine.

III. All proceedings heretofore had by any Commissioner or Commissioners of the said Court whilst sitting apart from the others or other of them, or by any person or persons under his or their authority, shall be deemed to have been as valid in law to all intents, and against all persons and bodies corporate whomsoever, as if all the said Commissioners had been sitting together in the said Court of Requests, and such Commissioners may henceforth sit either altogether or apart, and may hold one Court or two or three separate Courts sitting at the same time or at different times in like manner as they have been heretofore accustomed to do.

IV. All rules, orders, forms of procedure and tables of fees now used or established in the said Court shall be deemed to be and to have been from the time of their being first used or established respectively, valid in law to all intents, notwithstanding the omission to procure the allowance by the Supreme Court of Judicature of such of the same as should have been so allowed, and notwithstanding the non-printing and non-publication of such of the same as should have been printed and published.

V. All summonses and other process issued by the said Commissioners, or any of them, whether issued before or after the passing of this Act, shall be deemed to be valid and effectual in the law on whatsoever day the same shall have been made returnable.

The following Draft of a proposed Act was read in Council for the first time on the 20th of May, 1848.

Act No. —— of 1848.

For better defining the Law as to revision of the sentences of Subordinate Criminal Courts.

Whereas it hath been doubted how far Section V. of Regulation IX. 1831 of the Bengal Code is repealed by Act XXXI. 1841, and it is expedient to remove such doubt, and to establish one rule of proceeding for the revision of the sentences of Subordinate Criminal Courts throughout the Presidencies of Bengal and Madras, It is enacted as follows:

I. So much of Section V. of Regulation IX. 1831, of the Bengal Code, as is now in force, and also Section XXXV. of Act VII. 1843, are repealed.

II. The several Courts of Nizamut Adawlut in the Presidency of Bengal and of Foujdaree Adawlut in the Presidency of Madras, in any case in which it shall appear to either of them upon a review of the Abstract Statements or Calendars of prisoners punished without reference, that the sentence passed is one which cannot lawfully be passed on a person convicted of the offence as stated in the Abstract Statement or Calendar, shall require the Judge of the Court in which the conviction was had to certify under his hand the offence of which the prisoner was convicted, and the sentence passed thereupon; and on the return of such Certificate the Court of Nizamut Adawlut or Foujdaree Adawlut, as the case may be, shall annul the sentence, if it could not be lawfully passed on a person convicted of such offence, and shall certify to the Court below the sentence or sentences which may lawfully be passed for such offence, and thereupon the Court below shall pass a new sentence according to Law, and shall amend the record in accordance therewith.

III. The said Courts of Nizamut Adawlut and Foujdaree Adawlut, in any case in which it shall appear to either of them, upon a review of the Abstract Statements or Calendars of prisoners punished without reference that the verdict or judgment was contrary to the evidence, or that the sentence was too severe, may, if they shall think fit, require the Judge of the Court in which the conviction was had to certify under his hand the offence of which the prisoner was convicted, and the sentence passed thereupon, with the evidence on which such conviction was had, and any observations which he may be desirous of making in explanation of the verdict, judgment or sentence; and thereupon the Court of Nizamut Adawlut or Foujdaree Adawlut, as the case may be, may annul such verdict, judgment and sentence, if the verdict or judgment shall appear to them contrary to the evidence, or mitigate the sentence, if it shall appear to them too severe, and in either case shall certify their proceedings to the Court in which the conviction was had, which shall thereupon make such orders as shall be conformable to the decision of the Court of Nizamut Adawlut, or Foujdaree Adawlut, and, if necessary, amend the record in accordance therewith.

Ordered, that the Draft now read be published for general information.

Ordered, that the said Draft be reconsidered at the first meeting of the Legislative Council of India after the 20th day of August next.

An Act for substituting Stamp Duties instead of Institution Fees in the Courts of the District Moonsiffs in the Presidency of Madras, and for refunding Stamp Duties on Plaints in certain cases.

Whereas it is expedient to substitute Stamp Duties for Institution Fees in the Courts of the District Moonsiffs in the Presidency of Madras, and to authorize the return of the whole or part of the Stamp Duties paid on Plaints in all Civil Actions which are dismissed on application of the parties, It is enacted as follows:

In the absence of these documents, owners should depute a person to be present at the opening of their Packages.

The Collector has nothing to do with the landing of Packages from Ships, nor with forwarding them to their owners for destinations.

NOTIFICATION.

Fort William, the 27th May, 1848.

OPIUM.—Notice is hereby given, that on Monday, the 12th June, 1848, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by Public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the provision of 1846-47, subject to the following Conditions, viz.—

Produce of Behar Agency, ...	Chests	1,830
Ditto of Benares ditto,.....	„	780
Total Chests,...		2,610

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may, at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday,) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 14th June, 1848; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expenses whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 14th June, 1848, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts, or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 14th June, 1848, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday, the 27th of June, 1848, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale, on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain

a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William, in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake.

An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertized for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity abovementioned, the following quantities, more or less, of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:—

3. The Officers abovementioned are authorized to receive charge of and to grant receipts in duplicate for any Obligations or Loan Acknowledgments of the Government of India, or for Certificates of Shares in the abovementioned Banks at their respective Presidencies which the Proprietor may wish to deposit with them, and the Accountant General and the Sub-Treasurer at Fort St. George are also authorized on the application of the Proprietor to receive charge of and to grant receipts in duplicate for Promissory Notes of the Government of Fort St. George issued on account of the Tanjore Debt. No Note or Certificate is to be received in deposit which shall not appear to be made out in the name of or be regularly endorsed to the person depositing it or on whose account the deposit may be made. Persons desiring to deposit their Government Securities or Bank Share Certificates shall make their applications to the Government Agent at Fort William, or to the Accountant General and Sub-Treasurer at Fort St. George or at Bombay in the Form hereunto subjoined No. 1, and the receipts of those Officers will be given in the Form No. 2.

4. The Officers abovementioned will receive the interest on any Government Paper, or the dividend on any Bank Share Certificates which may be deposited with them, and will according to the instructions of the Proprietor

either remit the amount of such interest to England in Bills to be drawn on the Hon'ble Court of Directors, if the interest shall be payable in such Bills by the terms of the Loan, or they will pay the amount of such interest or dividend at the Presidency, to any person nominated by the Proprietor to receive such payment. The Government Agent at Fort William will also, according to the instructions of the Proprietor, remit the amount of interest on such Government Paper as may be deposited with him to the Presidencies of Fort St. George or Bombay by Drafts on the Public Treasuries of those Presidencies or to any of the Stations subordinate to the Presidency of Fort William by Drafts on the Collectors or on the Residents at Delhi or Lucknow according to the rates of exchange at which Government may draw at the time. Persons having more Promissory Notes or Bank Share Certificates than one in deposit may give separate instructions regarding the interest on each Note, or the dividend on each Certificate, but the whole of the interest or dividend on each Note or Certificate must be received in the same manner and at the same time.

5. When the Principal of any Government Paper so deposited shall become payable, the abovementioned Officers will, according to the instructions of the Proprietor, either pay the amount with interest due upon it to such person as may be appointed to receive the payment or they will reinvest it in any other Loan to which it may be subscribable at the time, or in the purchase of other Obligations or Loan Acknowledgments of the Government of India, or of Shares in the Capital Stock of the Banks abovementioned at their respective Presidencies in the market at the current price of the day. The Accountant General and the Sub-Treasurer at Fort St. George will also, according to the instructions of the Proprietor, re-invest the amount in the purchase of Promissory Notes granted by the Government of Fort St. George on account of the Tanjore Debt. They are also authorized on receiving proper instructions from the Proprietor to re-invest the proceeds of Paper so sold in the purchase of other Paper. Any fees which may have become due according to the rates hereinafter prescribed upon the Paper required to be endorsed are to be paid before the endorsement is made, or in case of the sale of the Paper the fees shall be deducted from the amount proceeds before it is paid over. The Proprietor may at any time withdraw the Government Securities or Bank Share Certificates deposited or any part of them from the charge of the abovementioned Officers, and such Securities or Certificates will be delivered up to the Proprietor himself or to any other person whom he may authorize to receive them upon payment of such fees as may have become due to the Government Agent or to the Accountant General and Sub-Treasurer according to the rates hereafter specified upon the Paper so required to be delivered up. The authority to receive deposited Paper must be made out according to the Form No. 20.

11. In each of these cases on which the Officers abovementioned are authorized to invest money in the Public Securities or in the purchase of Bank Shares, it is to be understood that they will invest as nearly as possible the whole amount, but that they are in no case and upon no account to exceed it. Such fractional sums as may remain in their hands above the amount invested will be payable on demand at the General Treasury to the order of the Proprietor. Such order is to be made out according to the Form No. 21.

On subscribing Company's Paper of one closed Loan to an open Loan,..... 1 Rupee per mille.

On remitting the principal of Notes when such remittance is granted in Government Bills, ... 4 annas per mille.

15. Such Fees or Commission as may have become due on any of the abovementioned transactions from any person depositing Paper will be deducted by the Government Agent at Fort William, or the Accountants General and Sub-Treasurers at Fort St. George and Bombay, from the first interest or dividend received by him or them from any Paper in deposit belonging to such person, but if these Officers shall in any instance omit to deduct their Fees or Commission from the interest or dividend coming first to their hands, they shall not be at liberty to make the deduction at any future period.

16. Government reserves to itself the liberty of withdrawing the authority hereby granted to the Government Agent at Fort William and to the Accountants General and the Sub-Treasurers at Fort St. George and Bombay upon giving two years' notice of their intention so to do in the *Calcutta Gazette*, and at the expiration of such notice those Officers will cease to act in the concerns of individuals, but any Paper which may have been deposited with them will remain for safe custody at the General Treasuries until claimed by the Proprietor.

WEDNESDAY, JUNE 7, 1848.

Fort William, Home Department, Legislative, the 27th May, 1848.

The following Act passed by the Governor General of India in Council on the 27th of May 1848, is hereby promulgated for general information.

ACT No. XII. OF 1848.

An Act for better defining the jurisdiction of the Calcutta Court of Commissioners for the Recovery of Small Debts.

Whereas the jurisdiction of the Court of Commissioners for the Recovery of Small Debts in and for the Settlement of Fort William in Bengal, hath been exercised under colour of a Proclamation made by the Vice President of the Presidency of Fort William in Bengal in Council, with the approval of the Governor General of the said Presidency, bearing date the 18th day of March 1802, and of another Proclamation made by the Governor General of the said Presidency in Council, bearing date the 25th day of September 1813, and of another Proclamation made by the Governor General of the said Presidency in Council, bearing date the 29th day of October 1819: And whereas doubts have arisen as to the legality of the said last two Proclamations, and of all that has been done or may hereafter be done in pursuance thereof: And whereas doubts have also arisen whether the powers given to the Commissioners of the said Court by the first of the said Proclamations are by the terms of the said third Proclamation effectually extended to the matters over which jurisdiction is thereby declared to be given to the said Court of Commissioners, and it is expedient to remove such doubts: And whereas the Rules, Orders and Regulations for the direction of the process and practice of the said Court which have been established in and by the said Court have not been allowed, printed or published as directed by the said first Proclamation, and it is expedient to ratify and confirm the same notwithstanding such omission: And whereas the said Commissioners have been accustomed to sit separately and to form separate Courts sitting at the same time or at different times, and it is also expedient to establish as well prospectively as retrospectively the legality of that practice,—It is enacted as follows:

I. All proceedings heretofore had or hereafter to be had in pursuance of and in conformity with the said Proclamations, or any of them by the said Commissioners, or any person or persons acting under their authority shall be deemed to have been, and to be, valid in law to all intents and purposes whatever, and against all persons and bodies corporate whomsoever.

II. All the powers and authorities declared to be given to the said Commissioners by the said first Proclamation shall extend to and be exercised in respect of and shall be deemed to have heretofore extended to all matters which in and by the said several Proclamations, or any of them, the said Commissioners were authorized to hear and determine.

III. All proceedings heretofore had by any Commissioner or Commissioners of the said Court whilst sitting apart from the others or other of them, or by any person or persons under his or their authority, shall be deemed to have been as valid in law to all intents, and against all persons and bodies corporate whomsoever, as if all the said Commissioners had been sitting together in the said Court of Requests, and such Commissioners may henceforth sit either altogether or apart, and may hold one Court or two or three separate Courts sitting at the same time or at different times in like manner as they have been heretofore accustomed to do.

IV. All rules, orders, forms of procedure and tables of fees now used or established in the said Court shall be deemed to be and to have been from the time of their being first used or established respectively, valid in law to all intents, notwithstanding the omission to procure the allowance by the Supreme Court of Judicature of such of the same as should have been so allowed, and notwithstanding the non-printing and non-publication of such of the same as should have been printed and published.

The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale, on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William, in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake.

An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertized for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity abovementioned, the following quantities, more or less, of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:—

M., at which Merchants and others interested in the trade, are requested to attend.

By order of the Board of Customs, Salt and Opium, the 9th June 1848,

OPIUM.—Notice is hereby given, that on Monday, the 12th June, 1848, at the hour of Eleven o'Clock in the forenoon, will be put up to Sale at the Exchange Rooms, at Calcutta, and sold by Public Auction, for Exportation by Sea, the undermentioned quantity of Opium, the provision of 1846-47, subject to the following Conditions, viz.—

Produce of Behar Agency, ...	Chests	1,830
Ditto of Benares ditto,.....	„	780
Total Chests,...		2,610

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M; but if at that hour any of the lots advertized for Sale shall remain unsold, the Sale may, at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday,) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 14th June, 1848; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expenses whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 14th June, 1848, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts, or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 14th June, 1848, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday, the 27th of June, 1848, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale, on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset

price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William, in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1—Certificate of the Opium now advertized for Sale.

No. 2—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the year 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake.

An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertized for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the Drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity abovementioned, the following quantities, more or less, of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:—

General Post Office, 21st March, 1848.

Sir,—I am directed by the Post Master General to acquaint you that the Lords Commissioners of the Admiralty have given notice to the Peninsular and Oriental Steam Navigation Company, that they will terminate after the month of May next the agreement entered into with them in May 1845, for the conveyance of Her Majesty's Mails on the 3d of each month, from Southampton to Alexandria and back, and that their Lordships will not

therefore require the Company to convey the Bombay Mail from Southampton to Alexandria on the 3d June next, nor from Alexandria to Southampton at the end of that month.
